

Title IX Coordinator Training Online Course Module 6 Assessment

1. If a party has not identified an advisor to accompany that party to an interview scheduled with the investigator, the institution must provide an advisor for that purpose.
☐ True ☒ False

2. If one party has an attorney serving as their advisor for the hearing and the other party has not identified an advisor, the institution must provide that party with an attorney as an advisor so that the parties are on equal footing.
☐ True ☒ False

3. If a party's advisor does not show up for the hearing as scheduled, after committing to do so, the hearing may go forward without the party having an advisor present.
☐ True ☒ False

4. The decision-maker must describe the steps that lead up to the hearing in the decision-maker's hearing outcome letter.
☒ True ☐ False

5. If a respondent is found responsible following a hearing, the institution must allow the respondent to appeal on the basis that the sanction imposed is disproportionate to the misconduct for which the respondent was found responsible.
☐ True ☒ False
