### What are the admission requirements?

Students may apply for admission to the BSN program at GSU in their last semester of the AAS program at CCC.

- Earn an associate degree in nursing from CCC with a 2.0 GPA or higher
- Current license as a registered professional nurse (RN).
  - Applicants in process of obtaining the RN license may be admitted conditionally in order to continue in the program but must obtain the license by the end of the first semester of enrollment.

### Where Do I Begin?

Apply to the BSN program by visiting the Admissions web page at [www.govst.edu/Admissions](http://www.govst.edu/Admissions) and click "Apply Online". The application deadlines are May 1st (Fall), October 1st (Spring) and February 1st (Summer). Nursing courses start in the Fall and Spring terms.

### What Are the Benefits of Enrolling in the Dual Degree Program (DDP)?

Full-time students who enroll in the DDP have a number of financial benefits, including tuition freeze at GSU at the time of enrollment in DDP at CCC and eligibility for the GSU Promise and DDP Honors Scholarships that provide full tuition and fees. Students must apply in their second semester of the RN program at CCC. ## **Governors State University and City Colleges of Chicago 3+1 Pathway to the Bachelor of Science in Nursing (BSN) Degree**

CCC students and alumni who complete the AAS degree and attain their RN license are uniquely qualified to transition successfully to the BSN program at Governors State University. Whether you want to increase your understanding of patient care or you want to earn the credentials you need for career advancement, the nursing program at GSU offers the most affordable and accessible pathway to success.

**The Department of Nursing is ready to help CCC students meet their career goals.**

- The BSN at GSU has the **quality** you expect and employers demand.
- GSU's program is **affordable**: 85 credit hours can be completed at CCC and transferred to GSU; only 35 credit hours are required to complete the BSN program at GSU.
- Passionate. Inspiring. Expert. You're not going to find a better group of individuals who are more dedicated to your future success than the faculty and staff in the BSN program.
- The entire program is accessible through dynamic **online** classes, with responsive, one-on-one advising so you get the attention and answers you need when you need them.
- This is not a cohort program, so you will have **maximum flexibility** to enroll part-time or full-time in any semester.
- If you attend full time, you can **complete the BSN in as few as three semesters**.
- If you are considering full-time enrollment in the BSN program at GSU, you should enroll in the **Dual Degree Program** in your second semester of the RN program at CCC. (see reverse for DDP benefits)
