

2017 China Studies International Summer Program

Brighten up your summer and join us for a unique China Studies Program.

Hangzhou Normal University

Founded as a teacher training school in 1908, Hangzhou Normal University (HNU) has a history of over 100 years, which has bestowed the institution with a glorious tradition of producing first-rate teachers and educators at different levels for the whole Chinese nation. Through a century's development, the University has now become a comprehensive institution of higher education with a full spectrum of disciplines, covering such areas as arts and sciences, humanities, education, music, engineering, information technology, business, law, medicine and nursing.

Program Description

The China Studies Program (CSP) at HNU provides students with a comprehensive learning experience that combines China Studies courses, visiting E-commerce enterprises, Chinese Kung Fu and field trips.

Language of Instruction: English

GSU Credit: 3 credits can be issued for this program if the student wishes to receive credit. Students will pay regular GSU tuition for 3 credits and will enroll in PHIL4254: Chinese Thought. There may also be the chance to earn 1 or 2 independent study credits. If the students do not need any course credit, they can audit the course for \$75.
