**FALL 2007-2017**

**The Office of Institutional Research & Effectiveness**

## PROFILES OF ACADEMIC MAJORS -- FALL 2017

The *Profiles of Academic Majors* (PAM) provides a ten-year longitudinal snapshot of enrollments, admissions, degrees awarded and student demographics arranged by fall term or academic year as appropriate.

The PAM is organized into six major sections. The first section provides summarized enrollment data at the university level followed by detailed summaries by academic level, degree seeking and non-degree seeking. The next four sections provide data by individual college: College of Arts and Sciences (CAS), College of Business (CB), College of Education (CE), and College of Health and Human Services (CHHS). Each section begins with a college summary page and then breakout sections by academic level and degree program. Concentrations and sequences are rolled up to the degree program level and are not listed separately. Degree programs are grouped by division/department within college. An Index is provided which lists all majors within each school by academic level. The sixth and final section provides enrollment data for undeclared/non-degree seeking students organized by academic level.

There are two pages of statistics for each degree program or summary grouping. The first page for each provides fall enrollment and student demographic data which includes gender, race/ethnicity, full versus part-time, average credit hours load, and average age. The second page provides applications and admissions numbers and degrees awarded for the academic year.

### Footnotes:

**1. Unduplicated enrollment headcounts:**

Students may be enrolled in more than one degree program. They are counted once in each program in which they are enrolled. Headcounts at the university and college levels are unduplicated and do not sum to the total number of students enrolled in individual programs.

**2. New/Revised race categories effective fall 2008.** Asian/Pacific Islander category is discontinued. The first page of statistics for all sections are expanded as of fall 2015 to include non-minority races (e.g. International, Unknown and White).

**3. Full-time enrollment calculations:** Undergraduate  $\geq 12$ , Masters  $\geq 9$ , Doctorate  $\geq 6$ . **Part-time enrollment calculations:** Undergraduate  $< 12$ , Masters  $< 9$ , Doctorate  $< 6$ .

**4. IBHE FTE calculations are as follows:** 1 FTE = 15 SCH for an undergraduate student and, 12 student credit hours (SCH) for a graduate student.

**5. Effective date for data:** the first page for each program consists of fall enrollment and student demographic data from the fall 2017 currently enrolled students census file. The second page for each program consists of fall applications and admissions numbers from the fall 2017 applications and admits census file. The degrees awarded data for the academic year is from the degrees awarded academic year 2016FA-2017SU file as of October 25, 2017.
