

Patrick J. Ormsby
President
Bimba Manufacturing Company
P.O. Box 68
Monee, IL 60449-0068

Patrick J. Ormsby is President of Bimba Manufacturing Company. Bimba's corporate headquarters are located in Monee, Illinois, and it has facilities in Rockford, IL, Chicago, IL, Plymouth, MN, and Concord, CA. Bimba Manufacturing Company designs and manufactures a variety of pneumatic, electric, and hydraulic actuators and valves for both the user and OEM markets. Bimba primarily sells its products through independent fluid power distributors predominantly in North America but has representation in major markets on a global basis. Bimba products provide controlled motion and are used extensively in automation. Bimba is an employee-owned company with approximately 500 employees.

Mr. Ormsby started at Bimba in 1980 after a career in both public and private accounting. He was elected President in 1986 after the purchase of the company from the Bimba family by the ESOP.

Mr. Ormsby has been active in a number of both business and community organizations over the years. Currently he serves on the following Boards:

Governors State University Board of Trustees
Governors State University Foundation Board of Directors
Prairie State College Foundation Board of Directors
Illinois Manufacturers Association Board of Directors
Franciscan St. James Hospital Foundation Board of Directors

Mr. Ormsby is also Past Chairman for the National Fluid Power Association.
