

GAMIS

Guaranteed Admission to the Master of Science in MIS (for GSU Students)

Current undergraduate GSU students or GSU alumni may be eligible for guaranteed admission to the Master of Science in Management Information Systems (MS MIS). For qualified candidates the GMAT/GRE score and two letters of recommendation will be waived. Current students meeting conditions under the GAMIS program will be conditionally admitted into the MS MIS. Students will be fully admitted into the program once their undergraduate degree is awarded (overall GPA of 3.0 must be maintained during the last 60 hours of program).

GSU Alumni Criteria:

- GSU undergraduate degree must have been received within 5 Years of the intended start of the MS MIS.
- Overall GPA of 3.0 in the last 60 hours at GSU.
- All majors are welcome to apply as long as they meet the specific **core business course requirements** listed in the student criteria below.

GSU Current Student Criteria:

- Minimum of 90 hours completed with an overall GPA of 3.25
- **Core business course requirements:** Complete 4 courses (12 hours) from the list below at GSU with a minimum GPA of 3.25:

ECON 3404	Managerial Economics
FIN 3110	Principles of Financial Management
MIS 3101	Management Information System
MGMT 3400	Production/Operations Management
MGMT 3500	Organizational Behavior
STAT 3700	Statistics for Management II
MIS 3000/4000	Any upper division MIS courses (2 maximum used)

Application Requirements:

The following documents are required for admission consideration into the GAMIS program:

- GAMIS Form (Submit directly to COB room G281 or bpainfo@govst.edu)
- Graduate Application (applynow.govst.edu)
- Graduate Application fee
- Statement of Intent
- Resume

Students or alumni who do not qualify under GAMIS are encouraged to apply to the program with a GMAT/GRE score, 2 recommendation letters, statement of intent, and resume.
