

Open Office Hours with Dr. Catherine Balthazar

Have you got questions?

Are you...

- Wondering about the career of speech-language pathology, and whether it might be right for you?
- Already in the Communication Disorders program, and looking for help or information?
- Getting ready to apply to graduate school?
- Applying to GSU's MHS in Communication Disorders?

Come in for an informal, open-ended chat in the **CDIS Lab, Room F1401**.

Dr. Balthazar will be there from **1:00 to 3:00** to provide advice and information to students and prospective students at all levels of education.

- Friday, November 11th
- Wednesday, November 23rd
- Friday, December 9th
- Friday, December 16th
- Friday, January 6th

RSVP to BParham@govst.edu to sign up. Email our graduate student assistant Kayla at cdis1@govst.edu if you would like to arrange a tour while you are here.
