APPLICATION FOR ADMISSION TO GRADUATE CANDIDACY DEPARTMENT OF COMMUNICATION DISORDERS

Instructions

- 1. Apply for graduate candidacy in the term after
 - a. You have completed a minimum of nine (9) <u>graduate</u> credits in Communication Disorders (CDIS) courses.
 - b. You have completed <u>all undergraduate course requirements</u> on your graduate student study plan (if applicable).
- 2. Attach all CDIS course self-evaluations (including instructor feedback if available).
- 3. Attach an unofficial copy of your GSU transcript.
- 4. If applicable, attach copies of all other transcripts documenting completion of undergraduate course requirements (if completed after admission to the graduate program).
- 5. Attach copy of results indicating that you have passed the <u>Test of Academic Proficiency (TAP) (or</u> its equivalent). (Students admitted Fall 2012 and thereafter.)
- 6. Attach documentation that you have completed the program's required speech-language-hearing screening (CDIS Speech-Language-Hearing Screening Verification form).
- 7. Using your course self-evaluations, write a letter of petition for candidacy summarizing your areas of strength and need. Indicate how you would like to move forward in areas of strength and remediate areas of need. You letter should be limited to two or three paragraphs.
