NAME Dale Schuit, PT, PhD, MS

EDUCATION

1984-1988	University of Illinois at Urbana Champaign, Urbana, Illinois PhD, Kinesiology – Specialization in Biomechanics
1979-1981	The Ohio State University, Columbus, Ohio MS, Physical Therapy Education – Teacher Preparation
1974-1976	St. Louis University, St. Louis, Missouri BS, Physical Therapy
1973-1974	Moraine Valley Community College, Palos Heights, Illinois
1973	Thornton Community College, South Holland, Illinois
1972	University of Illinois, Chicago Circle Campus, Chicago, Illinois
1970-1971	University of Illinois at Urbana Champaign, Urbana, Illinois

CURRENT AND PAST POSITIONS

8/07- present	Governors State University, Department of Physical Therapy University Park, Illinois Associate Professor with Tenure
7/94-7/07	Rosalind Franklin University of Medicine and Science, Department of Physical Therapy, North Chicago, Illinois Associate Professor 7/97 to 1/98: Acting Department Chair 1/98 to 7/07: Department Chair 6/04 to 7/07: Department Chair, and Associate Professor with Tenure
8/90-7/94	Northwestern University Medical School, Programs in Physical Therapy, Chicago, Illinois Assistant Professor, Coordinator of Musculoskeletal Track in Graduate Program.
9/81-7/90	University of Illinois at Chicago Health Sciences Center, Chicago, Illinois Department of Physical Therapy, College of Associated Health Professions Instructor; Assistant Professor

4/81-9/81 MacNeal Memorial Hospital, Berwyn, Illinois
Clinical Education Coordinator - Staff Physical Therapist

9/76-6/79 Cook County Hospital, Chicago, Illinois
Staff Physical Therapist; Senior Staff Physical Therapist

PROFESSIONAL LICENSURE Illinois – Physical Therapist - #070-002342

Abstracts Submitted for Presentation

Khayatzadeh S, **Schuit D**, Sears W, Havey R, Muriuki M, Voronov L, Ghanayem A, Patwardhan A: Muscle Activity Costs of Cervical Sagittal Imbalance. Abstract submitted to: EuroSpine 2014 (European Spine Society annual conference), Lyon France, October 1-3, 2014.

GRANT ACTIVITY

Patwardhan A, Havey R, Muriuki M, Nguyen L, Voronov L, Patel A, Zindrick M, Carandang G, **Schuit D**, Ghanayem A: Postural Compensation and Disc Mechanics in Forward Head Posture – A Novel Laboratory Model of Cervical Sagittal Balance. Grant submitted to Veterans Administration April 2013; funding amount requested = \$1,095,100. Reply to initial review submitted June 2013. Reply to second review submitted December 2013. Notification of high score indicating potential likely funding received March 2014. Funding letters to be sent in April, 2014.

Schuit D, Diers D, Shoulder and Trunk Motion and Perceived Effort during the Traditional and Modified Functional Reach Tests. Award: \$1354.00; funded by University Research Grant fund, Office of the Provost, Governors State University, June 2008, and additional award of \$1625.00, June 2009.

Schuit D: Determining the Validity of the OSI CA-6000 Spine Motion Analyzer in Measuring Lumbar Spine Motion. Award: \$1,400.00, funded by the Chicagoland Orthopedic Physical Therapy Study Group, Chicago, Illinois, October, 1992.

Schuit D: Gait Characteristics and Ground Reaction Forces Produced by Subjects with Structural Leg Length Discrepancies. Award: \$1,000.00 funded by Chicagoland Orthopedic Physical Therapy Study Group, Chicago, Illinois, September 1986.

McPoil TG, **Schuit D**, Knecht HG: A Comparison of Three Techniques to Measure Tibial Varum. Award: \$600.00, funded by Campus Research Board, University of Illinois at Chicago, Chicago, Illinois. Award: \$1,000.00 funded by Chicagoland Orthopedic Physical Therapy Study Group, Chicago Illinois, June 1985.

Walish JD, **Schuit D:** Clinical Education: Student Concerns; Award: \$500.00, funded by Campus Research Board, University of Illinois at Chicago, Chicago, Illinois, February 1983.

CONTINUING EDUCATION WORKSHOPS CONDUCTED/ORGANIZED

Invited Speaker: Rhea D, **Schuit D:** The IRB and YOU: A Collaborative Experience. The First Faculty Development Day at Governors State University, April 27, 2012. Governors State University, University Park, Illinois.

Diers D, Vendrely A, **Schuit D:** Injury Prevention and Management for Runners. Indiana State University, Perspectives in Medicine Series, sponsored by the Department of Applied Medicine and Rehabilitation, Terra Haute, IN, November 22, 2011

Diers D, Vendrely A, **Schuit D:** Injury Prevention and Management for Runners. NCAA Speaker Series. Indiana State University - host of the 2011 NCAA Division I Cross Country National Championship, Terra Haute, IN: November 20, 2011.

Diers D, **Schuit D**, Vendrely A: Keeping Runners Moving: Tips for Injury Prevention and Training Success. Indiana State University Speaker Series, Terra Haute, IN, November 22, 2011.

Invited Peer Reviewed Presentation: Vendrely A, Diers D, **Schuit D.** Success with the Spine: Applying Current Research to Manage Mechanical Spinal Problems. Illinois Physical Therapy Association, September 23, 2011.

Invited Course Presenter: Coleman, T., **Schuit, D.**, A Common-sense Approach to the Management of Low Back Pain. METT Therapy Services, Chicago Heights, IL, and Department of Physical Therapy, Governors State University, October 25, 2008.

Invited Speaker: Gait Analysis Using Video in the Clinical Setting. Department of Physical Therapy, Community Hospital, Munster, IN. July 6, 2010.

Invited Panel Member: Panel Discussion on Excellence in Teaching. Faculty Development Workshop, sponsored by the College of Business and Public Administration. Governors State University, February 17, 2010.

Invited Peer Reviewed Presentation: Diers, D., Vendrely, A., **Schuit, D.**: Management of Running Injuries. Illinois Physical Therapy Association September 27, 2008.

Invited Speaker: Department of Physical Therapy, Midwestern University.
Introduction to Musculoskeletal Radiology (January 18, 2008, and January 23, 2009, January 19, 2010, January 20, 2011, January 19, 2012, February 1, 2013, January 31, 2014).

Invited Speaker: Diers D, Schuit D, Waterson K: Understanding and Managing Running Injuries. East Central District, Illinois Physical Therapy Association, Governors State University, May 3, 2008.

Invited Speaker: Ergonomic Considerations for the Pathologist Assistant. Pathologist Assistant Department, Rosalind Franklin University of Medicine and Science, September 12, 2007, September 17, 2008, November 3, 2009, October 29, 2010, October 26, 2011, April 26, 2013.

Invited Discussion Panel Participant: Seminar on Changes in Practice and Clinical Approaches Over the Years. Department of Physical Therapy, Governors State University, June 8, 2006.

Invited Speaker: Exercise and Muscle Activities for Patients with Low Back Pain: It's Not Just About Strength. Medical Grand Rounds, Department of Medicine, Rosalind Franklin University of Medicine and Science, November 23, 2005.

Invited Speaker: Research Seminar, Governors State University, Department of Physical Therapy. Topic: Interrater Reliability for Determination of Upright Lumbar Spinal Position, January 12, 2005.

Invited Speaker: Lecture: Importance of Maintaining Strength and Flexibility. Grand Opening ceremony, The Clinics at Rosalind Franklin University of Medicine and Science, December 3, 2004.

Invited Speaker: Lecture: Musculoskeletal Stress in the Workplace: Implications for the Pathologist Assistant. Annual Conference of the American Association of Pathologist Assistants. Chicago, IL, October 7, 2004.

Invited Speaker: Lecture and screening examinations on 'Strength and Flexibility'. As part of a free public education seminar sponsored by the Arthritis Foundation and Scholl College of Podiatric Medicine. Rosalind Franklin University of Medicine and Science, North Chicago, IL, May 8, 2004.

Invited Speaker: Prevention of Repetitive Use Injuries in the Office. International Association of Administrative Professionals – Great Lakes Chapter. Grayslake, IL, November 18, 2003.

Invited Speaker: Panel Discussion on Important Issues in Physical Therapy, IPTA SSIG Winter Conclave, Finch University of Health Sciences, North Chicago, IL, February 24, 2001.

Presentation: Clinical Gait Analysis: Emphasis on Foot and Ankle Mechanics. Health and Fitness Center, Highland Park Hospital, Buffalo Grove, IL, February 15, 2001.

Lecture: Evaluation and Management of Foot and Ankle Dysfunction. US Naval Hospital, Great Lakes Naval Training Center, Great Lakes, IL, November 18, 1999.

Course: The Sacroiliac Joints as a Component of Low Back Pain: Management Models and Clinical Considerations. Marionjoy Rehabilitation Center, Wheaton, Illinois, June 26, 1999.

Lecture: Choosing the Correct Athletic Shoe. Presented to US Navy officers and enlisted crew aboard USS Carl Vinson, en route from San Diego, CA to Bremerton, WA. May 5, 1999.

Course: The Sacroiliac Joints as a Component of Low Back Pain: Theoretical and Clinical Considerations (8 hours). Rehabilitation Services Department, St. Francis Hospital, Blue Island, IL. July 11-12, 1997.

Lecture: The Sacroiliac Joints as a Component of Low Back Pain (4 hours). East Central District, Illinois Physical Therapy Association. January 25, 1997.

Lecture and Lab presentation: Sacroiliac Joint Treatment Principles. Northwest Indiana Orthopedic Physical Therapy Study Group. Munster, Indiana. September 25, 1996.

Lecture: Evaluation of Spinal Motion Using the OSI CA-6000 Spine Motion Analyzer. Northern District, Illinois Physical Therapy Association, March 12, 1996.

Lecture: The Sacroiliac Component of Low Back Pain. Northwest Indiana Orthopedic Physical Therapy Study Group. Munster, Indiana. January 31, 1996.

Invited speaker: Annual Lecture for Physical Therapy Month, Department of Physical Therapy, Rush Presbyterian St. Lukes Medical Center, Chicago, IL. Lecture: The Sacroiliac Joints. Do They Contribute to Low Back Pain? (6 hours) November 19, 1995.

Course: Evaluation and Treatment Considerations for Dysfunction of the Foot and Ankle (6 hours). Presented to: Marianjoy Hospitals and Clinics, June 10, 1995.

Lecture: Kinesiology and Pathology of the Foot and Ankle Complex (4 hours), as part of 32 week course: Orthopedic Manual Physical Therapy, Robert D. Johnson, MS, PT, OCS, Willowbrook, IL, December 7, 1993.

Lecture: Effectiveness of Foot Orthoses in Management of Foot and Ankle Dysfunction (2 hours). Lake Forest Hospital, Lake Forest, IL. November 18, 1993.

Lab Instructor: The Shoulder: Anatomy and Clinical Management, by Phil McClure, MS, PT, OCS, et al. Chicago, IL. October 15, 1993.

Lecture: Sacroiliac Pathophysiology and Pelvic Anomalies. Chicagoland Orthopaedic Physical Therapy Study Group, Chicago IL, March, 1993.

Course: McPoil TG, **Schuit D**: The Influence of the Foot and the Lumbar Spine on Pelvic Asymmetry (32 hours). Rausch and Associates, Chicago, Illinois, August 5-8, 1992.

Lecture: Management of Sacroiliac Dysfunction. Chicagoland Orthopaedic Physical Therapy Study Group, Chicago, IL, April, 1992.

Course: Clinical Gait Analysis. Loyola University Medical Center, Department of Rehabilitation Services, Maywood, Illinois. February 21-22, 1991.

Invited speaker: Arizona Physical Therapy Association State Meeting. Lecture: Biomechanics of the Lumbar Spine and Pelvis as Related to Low Back Pain. Discussion group leader: Effectiveness of Clinical Systems Designed to Measure Spinal Motion. Flagstaff, Arizona. May 3-5, 1991.

Course (lab instructor): Management of Foot and Ankle Dysfunction, by Thomas G. McPoil, PT, PhD. University of Indianapolis, Indianapolis, Indiana. November 9-11, 1990, November 8-10, 1991, August 14-16, 1992, March 19-21, 1993, May 19-21, 1994, May 20-22, 1995, April 19-21, 1996, August 18-20, 2000, June 8-10, 2001, June 27-29, 2003, June 25-27, 2004, June 9-11, 2006, November 2-4, 2007, July 10-12, 2011, July 13-15, 2012, July 12-14, 2013.

Lecture: Anatomy of the Spine and Pelvis. Arthritis Conference, Northwestern University Medical School, Chicago, Illinois. September 20, 1990.

Lecture: Choosing the Correct Athletic Shoewear. Lincoln Park Physical Therapy Center, Chicago, Illinois, December 6, 1989, and March 29, 1990; and at Eastern District, Illinois Physical Therapy Association Meeting, November 6, 1991.

Course: McPoil TG, **Schuit D**: The Influence of the Foot and Lumbar Spine on Pelvic Asymmetry (32 hours), Rausch and Associates, Chicago, Illinois, August 1-4, 1990.

Invited Speaker: Conservative Management of Low Back Dysfunction: Update 1990. Physical Therapy Division, Baxter, Inc. Lecture: Sacroiliac Joint Dysfunction, Pelvic Asymmetry, and Low Back Pain. April 5-7, 1990, Oak Brook, Illinois.

Course: McPoil TG, **Schuit D**: The Influence of the Foot and Lumbar Spine on Pelvic Asymmetry (32 hours). Rausch and Associates, Matteson, Illinois, August 2-5, 1989.

Course: Evaluation and Management of Sacroiliac Joint Dysfunction (16 hours). Therapy Network of Illinois, Inc., Chicago, Illinois, April 15-16, 1989.

Course: Evaluation and Management of Sacroiliac Joint Dysfunction (16 hours), Rausch and Associates, Allerton Hotel, Chicago, Illinois, November 11-12, 1988.

Course: McPoil TG, **Schuit D**: Evaluation and Mobilization of the Extremity Joints (22 hours), Curative Rehabilitation Center, Wauwatosa, Wisconsin, November 13-14 and November 20-21, 1987.

Course: Evaluation and Management of Sacroiliac Joint Dysfunction (16 hours), Elmhurst Hospital, Elmhurst, Illinois, March 21-23, 1986.

Lecture: Biomechanical Analysis of Lower Back Injury (2 hours) College of Medicine, Department of Anatomy, University of Illinois at Urbana-Champaign, Urbana, Illinois, October 23, 1985.

Course: Evaluation and Management of Sacroiliac Joint Dysfunction (6 hours), Burnham Hospital, Champaign, Illinois, October 22 and 24, 1985.

Course: The Lumbar Spine: Evaluation and Application of Joint Mobilization Techniques - An Introductory Course, Holy Cross Hospital, Physical Therapy Department, Chicago, Illinois, July 18 and 25, 1985.

Course: McPoil TG, **Schuit D**: Ankle Injuries: A Practical Workshop on Ankle Taping and Splinting (co-presenter; 8 hours), University of Illinois at Chicago, Department of Physical Therapy, Chicago, Illinois, Sept. 17, 1983.

HONORS AND AWARDS

Professor of the Year Teaching Award, from DPT Class of 2007, Rosalind Franklin University, May, 2005.

Professor of the Year Teaching Award, from DPT Class of 2006, Rosalind Franklin University, May, 2005.

Listing in *Who's Who Among America's Teachers*, 2002

Visiting Academic Fellowship appointment, Department of Physiotherapy and Occupational Therapy, Oxford Brookes University, Oxford, England, December 2002.

Excellence in Teaching Award, Department of Physical Therapy, Finch University of Health Sciences, January, 1999.

Excalibur Award for Teaching Excellence, College of Associated Health Professions, University of Illinois at Chicago, June 1990.

Excalibur Award for Teaching Excellence, College of Associated Health Professions, University of Illinois at Chicago, June 1989.

Excalibur Award for Teaching Excellence, College of Associated Health Professions, University of Illinois at Chicago, June 1988.
