

American Language and Culture Institute Summer Young Adult Program

Immerse yourself in the English language

This program provides international young adults between the ages of 15-25 an opportunity to be immersed in the English language. Participants will receive English language instruction, workshops on American culture and history as well as cultural excursions.

Governors State University is located just 40 minutes south of Chicago. Students will explore Chicago's music, sports, theatre, art, nature and shopping as well as the culture and community of the region.

INCLUDES

housing, most meals, ESL classes, cultural excursions, airport pick up and drop off. TOEFL® testing on site, if desired.

Customized programs available. Contact us for more information.
