DUAL DEGREE PROGRAM INFORMATION

The Dual Degree Program is designed for full-time, associate degree-seeking students who are attending College of DuPage. It will ensure that participating COD graduates make a seamless transition to Governors State University to complete their bachelor's degrees.

Students in the Dual Degree Program will receive the following benefits:

1) Illinois residents have the opportunity to lock-in the GSU Guaranteed Tuition Plan for up to four years from date of enrollment in the Dual Degree Program (restrictions apply);
2) Opportunity to compete for GSU Promise scholarships and DDP Honors scholarships (if eligible);
3) Academic advisement from both COD and GSU to assist with completion of the associate and bachelor's degrees in a minimum number of terms;
4) Opportunity to participate in social and cultural activities at both COD and GSU; and
5) Opportunity to be matched with a trained peer mentor who can help with matters outside of the classroom from a student's perspective.

To be eligible for the Dual Degree Program, students must meet the following requirements:

1) Maintain full-time enrollment throughout their undergraduate studies;
2) Enroll in the program during or after the second semester of full-time enrollment at COD, after having completed a minimum of 12 and a maximum of 45 semester hours (students in selective admissions associate degree programs will enroll in their second semester of that program and the credit hour limitations will be waived);
3) Consult with the academic advisors at both institutions, at least once per semester, for review of course progress towards the associate and bachelor's degrees;
4) Submit Dual Degree Program profile, and each semester submit unofficial transcripts and current class schedule;
5) Attend a DDP orientation;
6) Maintain good academic standing throughout the undergraduate program;
7) Complete an associate degree before transferring to GSU;
8) Consent to allow staff from GSU and COD to share and review academic progress, enrollment status, program completion status, and financial aid eligibility and disbursement; and
