ARC Attendance Policies: (updated 10/19/16)

[1] If you are more than **15 minutes late** for an appointment, you may lose that appointment and have to reschedule for another time. If you know you will be running late ahead of time, please call 708-534-4090 as soon as possible - keep in mind that you will not receive any extra time for your tutorial.

[2] A student who accumulates three (3) no-show appointments will no longer have the option to schedule appointments for tutorials and will have to rely solely on walk-ins. You may cancel your appointment by clicking on the time of your appointment and then clicking "cancel this appointment" near the bottom of the dialog box. Another option is to leave a detailed voicemail at 708 - 235 - 3962.

Dear Prairie,

You have requested a password reset for your account at <https://govst.myworkday.com>. To complete this request, please follow the steps below. The reset process will take less than twenty-four hours.

To reset your password, please click on the link below:

URL: _____

The Windows taskbar at the bottom shows the system clock as 1:02 PM on 10/26/2016.

When you click on that message, a new window will appear.

Your new password is right here

The screenshot shows the Outlook Web App interface. The main window displays an email from Math Help with the subject 'Password Reset Complete: Governors State University'. The email content includes the recipient's name, the sender's name (Math Help), the date (Wednesday, October 26, 2016 1:01 PM), and the message: 'Dear Prairie, Your password has been reset as requested. You can log in with the following credentials: URL: https://govst.mywconline.com Email: mathhelp@govst.edu Password: uEFFmnbk3 Sincerely, Governors State University'. A new window titled 'Password Reset Complete: Governors State University - Internet Explorer' is overlaid on the email, showing the same content. A blue circle highlights the password 'uEFFmnbk3' in the new window, and a blue arrow points to it from the text 'Your new password is right here'.

Write down your new password and keep it in a safe place.

Do not delete this email – It will serve as a backup in case you lose the password.

Next.....Go back to the page you skipped a moment ago.

Enter your email and your new password.
