

Transfer/Graduate Orientation Summer 2014

Welcome from the Dean of Students

Dear New Students:

We are thrilled, and deeply honored, that you have decided to continue your higher education, either as an undergraduate or graduate student, at Governors State University. Your decision to continue your education marks a significant next chapter in your life, one that will challenge you, on a daily basis, in and outside the classroom to contribute to society both as a student scholar and a citizen. As you learn more about the people, programs and resources that define this community, look for places where you can contribute your talent and energy. You were selected to, and decided to attend, Governors State University (GSU) because you have something to offer - something of value to others.

As Dean of Students, I am proud to be associated with a team of dedicated and talented professionals and educators working with one common purpose – to help you achieve your educational goals and ensure that your experience at GSU is as fulfilling as possible. I encourage you to visit our offices located in both the A and B wings (a complete office directory can be found elsewhere in this booklet) and fully utilize our resources well after orientation ends and as your transition to GSU continues. You can start by attending the many events sponsored by Program Council, considering an elected student leadership position, utilizing our Recreation and Fitness center, and taking advantage of our many academic success workshops. Most immediately, please take a moment to review the Welcome Week schedule in this program and make a personal commitment to be a part of our community from the start!

Lastly, I would encourage you to stay connected with your new community, by checking your GSU email regularly (I would recommend three times a week). If you utilize social media, please follow me on Twitter via @GSUDean, or drop by my office, located in the Student Life Center (A-2130), during my weekly open hours on Tuesdays from 4 to 5 p.m., or email me at avalente@govst.edu if you need anything at all. Even if you don't need anything, stop in and simply visit!

Please accept my best wishes for a successful and rewarding first semester at GSU!

Dr. Aurélio Manuel Valente

Dean of Students and Associate Vice President of Academic Affairs

Concurrent Sessions

Blackboard

The Center for Online Teaching and Learning provides a face to face workshop to assist students with Blackboard questions and concerns.

Can Do

Sometimes having that “can do” attitude can be difficult, especially if you are feeling anxious about a project. Learn how and when to address anxiety, the importance of attitude and motivational incentives.

Career Services: How to Find Campus Employment

On-campus student employment is a great opportunity to gain professional experience while making connections in a part-time paid position. Employment is available in multiple departments and in a variety of roles. Come to this session to learn about different types of employment, how to apply and follow up on an application, as well as explore other ideas for gaining experience during one’s education.

Financial Aid: Learning the GSU System

Drop in and talk to someone from the GSU Financial Aid Office. Ask general questions or make an appointment to ask questions specific to your financial aid.

Information Technology Services: Microsoft Office Web Apps and SkyDrive

Did you know that you have free access to the web version of MS Word, Excel, Power Point and One Note through your GSU student email account? Did you know that your email account includes 7GB of storage for your documents and files? This demo will introduce you to the web applications of Office 365 and your SkyDrive.

Navigating Your Library’s Website

This session provides an overview of online library resources. Topics include selecting appropriate databases, using the I-Share catalog, searching tips and strategies, and time for Q&A.

Prairie Place — GSU’s First on Campus Housing

Prairie Place is the first on-campus residential community on the GSU campus. The complex is open to enrolled graduate and undergraduate students and consists of fully furnished apartments and suites. Learn more about the benefits of living on campus and what Prairie Place has to offer you.

Release the Leader in YOU!

This workshop will discuss opportunities to get engaged in the university from joining a club to student governance. Come to this workshop to receive all the trade secrets to enhancing the educational experience and releasing the leader in YOU!

Transfer Success Panel with Orientation Leaders

We’re sure you have more questions. Here’s your chance to ask current students about their experiences and make connections with your peers.

Veterans Resource Center

Meet in Hall of Governors near the Academic Resource Center to be escorted to the session location. Meet other veterans on campus. Introduce yourself to the Coordinator of Veteran Services. Visit the Veteran Resource Center and learn where you can go on campus to enjoy a quiet spot you can call your own.

Writing Tips for APA Research Papers

Join us so you will be prepared for writing. This workshop will discuss how to begin a research paper and how to conquer APA documentation style. This workshop will also inform you of the resources and services offered by the GSU Writing Center.

Your Health/Wellness: Meditation session

Mindfulness has been shown to be very helpful in reducing stress, increasing concentration skills and improving emotional regulation. Daily meditation is the exercise that strengthens mindfulness. Come to this session and learn how to meditate and begin an ongoing meditation practice.

For your convenience, Follett’s GSU Bookstore and the GSU Cafe will be staffed during new student orientation. Feel free to visit and see what they have to offer.

What's New @ GSU?

New! On Campus Housing

Your chance to live on campus begins August 2014 with the opening of Prairie Place, GSU's first on campus housing. The suites and apartments of Prairie Place give all GSU students (freshman through graduate) the opportunity to enjoy the benefits and convenience of joining a true living and learning community. Visit www.govst.edu/housing to learn how to apply for housing.

New! GSU myONECARD

It's here! The one-stop-one-ID that gives you all you need at GSU in one handy card. Work out at the Recreation and Fitness Center, check out some books from the library, get discounts on Center for Performing Arts tickets and access special Student Only activities. Soon you will also be able to pay for your lunch, use the vending machines or print a paper with the myONECARD.

New! Immunization Requirement for ALL students

It's the law! ALL GSU students MUST submit proof of immunization. The completed immunization history form, signed by a healthcare provider, must be on file with GSU before you can register for classes. This applies to ALL GSU students - freshman, transfer, international and graduate students - whether you are new to GSU or in the middle of your degree program. Don't delay - get your immunization records on file.

GSU Technology Tips

Students can receive help with existing services using the following options:

- Call the University Computer Help Desk at 708.534.HELP (4357)
- Email the University Computer Help Desk at helpdesk@govst.edu
- Submit a Help Desk ticket through <http://mygsu.govst.edu>
- Visit the Academic Computing Services (ACS) Lab in room D2431

Go to MyGSU Portal at <http://mygsu.govst.edu> to access:

Account Summary • Blackboard • Course Registration • Create Help Desk service tickets • Financial Aid Status • Register for Classes • GSU Email • GSU View • Important University Announcements • Make a Payment • My Transcript • Papercut (Print to GSU printers) • and more

Passwords

You will be prompted to change your password the first time you log into the MyGSU Portal and again every 120 days. Be sure to choose a password that is easy to remember but hard for others to guess. In order to ensure full password security, please take these additional steps to protect your password:

- Don't share your password. You're responsible for all activities conducted on your account.
- Make sure you log off MyGSU when using a public computer. You must also close the browser for the log-off process to be complete. If you don't properly log off, someone else may be able to access your information.
- Don't store your password in a program. When your email client or web browser stores your passwords, it is very easy for a hacker or computer virus to retrieve them without your knowledge.
