

# Donations

---

The faculty and staff of the University Library are constantly striving to improve the quality of the collection and services we offer. Your gifts of money or donations of books, music CDs, DVDs, books on tape, journals and more enhance the collection or provide additional support for the University Library.

Gifts other than money are reviewed for their contribution to the curriculum. If the materials you donate are not added to the collection, they are put in a book sale to benefit the library.

All gifts are tax deductible. As the recipient of gifts, the University Library is not in a position to place a value on gifts received, but all gifts are acknowledged.

Please call for Technical Services at 708.534.4116 with questions regarding donations or to make arrangements to drop off your gift.
