# Now You Can Access the GSU Library on the MyGSU Mobile App!

Want to easily check your I-Share account? Need to do a quick search of the Library catalog for materials? Need to search for course reserves or renew your books? Be sure to download the GSU Mobile App and check out the library header which connects you to the library home page as well as a mobile-friendly catalog search. Now you can be just a click away from the library on your tablet or smart phone. Download it at the iTunes App Store or Google Play Store.
