

IMPACT REPORT

INVESTING IN STUDENT SUCCESS

Because of you we were able to:

Raise more than \$701,285 affirming our commitment to accessible, affordable and exceptional education

Provide financial aid and award more than \$100,000 in scholarships to deserving students

Create a unique learning environment that equips our students to become leaders in their community

Enhance academic instruction and expand arts and cultural learning experiences to the community

2016 was a great year for the Governors State University Foundation. Your generosity propelled Governors State University to exceptional progress during the past year and toward an exciting future. Because of your investments you helped students achieve their academic endeavors, provided them with career opportunities, and made a difference in the communities in which they come from — affecting change worldwide. We know you choose from many potential options for your philanthropy and we are deeply grateful that you invest in the GSU community.

Our Corporate Partners

The GSU Foundation recognizes our corporate partners for their generous contributions and support of Governors State University. We value the many corporations and local businesses who join the movement each year through event sponsorship, grant support, in-kind product donations, employee volunteerism and workplace giving. We would also like to thank our 300+ volunteer leaders for their time and service to GSU.
