

# GOVERNORS STATE UNIVERSITY FOUNDATION

Dear Friends and Supporters,

It is with great pleasure that the Governors State University Foundation invites **you** to consider becoming a sponsor of our annual **Scholarship Scramble** Golf Outing, an event to raise funds to support our students by providing merit and financial need-based scholarships.

Governors State University is the only public, four-year, full-service, comprehensive university in the Chicago Southland, serving approximately 5,800 students. GSU provides affordable and accessible undergraduate and graduate education to culturally and economically diverse students. A great number of GSU's students are First Generation College students, many of whom are academically high-performing, yet financially challenged. The scholarships we offer make a world of difference to these particular students. In many cases, these scholarships provide the "leg up" a GSU student needs to stick with and succeed in their higher educational endeavors.

This year's **Scholarship Scramble** is Monday, July 31, 2016 at Flossmoor Country Club in Flossmoor, IL. Along with 18 holes of golf, the event features contests, raffles, dinner, and an awards presentation.

We invite **you** to join forces with the GSU Foundation as a partnering Sponsor. Your business will receive extensive exposure throughout the south suburban communities, while supporting well deserving GSU students through scholarship opportunities, helping them achieve their educational goals.

Please contact Cheri Garey at 708.534.7892 or [cgarey@govst.edu](mailto:cgarey@govst.edu) and she will be happy to answer any questions you may have. We look forward to partnering with **you** to make this year's **Scholarship Scramble** the most successful ever.
