

Student Budget Catering

GSU Dining Services offers a wide range of catering options to fit most budgets. As an added benefit to enrolled students and recognized student organizations, your event needs may be met by utilizing our Student Budget Services offerings.

Events utilizing the budget student service will receive a discount off the total food and beverage portion of the invoice. Within this menu, we have identified popular menu suggestions which may be suitable for your event. The pricing listed in this guide is already modified to reflect the discount. Additionally, many menu suggestions within our standard catering guide can be modified to allow for budget student services. Please speak with Dining Services for options and restrictions.

Student Budget Catering

HOW IT WORKS

With the exception of boxed lunches and pizza, our lunch and dinner suggestions are based on a minimum of 20 Guests

Hosts utilizing student budget services will pick up the product and supplies from the café during normal business hours

Hosts will set up the events, clean up after the event, and return all equipment to the café upon completion
