## Did you know???

During the 4<sup>th</sup> of July weekend celebration, over 150 million hot dogs and 750 million pounds of chicken are consumed. With that, baked beans, corn, potato chips, and potato salads are the most consumed sides. Over one third of people eat baked beans at their 4<sup>th</sup> of July BBQ, and over half of people eat potato salad, potato chips and/or corn. On top of all that food, the 4<sup>th</sup> of July weekend accounts for 5% of the national annual beer consumption with over 23 million cases sold in one weekend.
