How to Form a New Student Club or Organization

There are basic steps in forming new clubs and organizations at Governors State University.

**Step I -- Tentative Recognition**
A group may receive permission from the Student Life Unit to hold an organizational meeting on campus. The group must apply for tentative recognition by filing a Petition for New Student Organization with Student Life which includes the following information:

a. name of organization  
b. purpose of organization  
c. name of Governors State University faculty/staff advisor  
d. name and student ID number of seven (7) current students, which is the minimum number required, who have agreed to join.

This petition will be forwarded to the Assistant Dean of Students. Upon receipt of the petition, he/she will ask the Student Senate Programming Committee Chair for a recommendation. If the petition is approved the club or organization will be granted tentative recognition which will provide them with all the privileges of a fully recognized group for a period of three (3) months by which time they must have completed step 2. In extenuating circumstances, the Assistant Dean of Students, upon written request, may extend the three months to a maximum of five months.

**Step II -- Formal Recognition**
To be formally recognized as a club or organization, a group must present the following information to Student Life:

a. a constitution which must include the name, purpose, operating procedures, membership requirement, and basic structure of the continuing organization (guidelines for and a sample of a constitution are attached)  
b. the name of the current year’s Governors State University faculty or staff advisor  
c. a list of the current officers including name and student ID number. Officers must be in academic good standing to be eligible to serve.  
d. the club must have its officers and advisor attend an orientation with the Assistant Dean of Students.

Student groups will normally be approved if they follow the outlined procedures and comply with being open to all students without respect to race, color, national origin, sexual orientation, religion, gender (excluding social fraternities and sororities), age, marital status, or disability.

Upon receipt of the above, the Assistant Dean of Students will ask the Student Senate Programming Committee Chair to recommend formal recognition of the group. If the Assistant Dean of Students disagrees with the recommendation, he/she will ask for a meeting with the chair to discuss their recommendation. If differences
cannot be reconciled, the Assistant Dean of Students will rule on recognition of the group. This ruling may be appealed to the Dean of Students for review. The decision of the Dean or designee is final.

If approved, the group will be a recognized university organization with all of the privileges thereof as long as it:

1. files each trimester a Registration Form with the current officers and name of the Governors State University faculty or staff advisor with Student Life

2. adheres to procedures for all financial expenditures, which must be authorized by Student Life before implementation

3. completes other paperwork as required (i.e. Fund Raising Activity Form, Off Campus Events Request, etc.).

4. adheres to the requirements as outlined in the Student Organization Handbook.

Any group becoming inactive for two years or more must reapply for recognition as a new organization. For additional information, contact the Assistant Dean of Students (A2104).

**Resources Available to Recognized Student Clubs and Organizations through Student Life**

1. Use of the university name and facilities in conjunction with the club/organization.

2. Use of Student Life bulletin board space.

3. The right to apply for monies from the Student Life Activities Fee.

4. Use of Print Shop services.

5. The right to apply for fund raising activities on campus.

6. Use of campus mail service, parliamentary procedure books, and meeting space.

7. Access to a staff liaison in the Student Life Unit, who can provide assistance in programming, leadership development, planning, financial management and how to access additional university resources and services.
