Transportation to Riverside Immediate Care Facility:

The University shuttle bus provides transport to the Riverside Immediate Care Facility in Monee on request (<http://doctors.riversidehealthcare.org/location/immediate-care-monee>). A student who needs to be transported to Riverside should call DPS (708-534-4900) and request a shuttle transport to Riverside.

The dispatcher will inform the shuttle driver and as soon as the shuttle driver has concluded the scheduled run, the driver will pick up the student and transport to Riverside.

When the student had finished his/her visit, the student will call DPS again to request transport back to campus.

The dispatcher will communicate pickup need to the shuttle driver who will then return to Riverside to pick up the student and transport the student back to campus.
