Banking and Finance Careers Resource Guide

American Banking Association - http://www.abacom
Through a broad array of information, training, staff expertise and other resources, ABA supports banking professionals as they perform the critical role of supporting America's economic growth. Most resources are free to the public, and all American bank employees are entitled to membership.

American Accounting Association - http://aaahq.org
Voluntary organization of persons interested in accounting education and research. Website offers events/meeting calendar and member directories.

American Academy of Actuaries – http://actuary.org
Represents thousands of actuaries from all practice areas throughout the United States. Offers access to job listings, industry news, and events.

Community Bankers Association - http://cbai.careerbank.com
The Community Bankers Association of Illinois has links to employment, banking and financial sites. Also available are links to the latest news developments in the financial industry.

Association for Finance Professionals - http://www.afponline.org
Professional society that represents finance executives globally and establishes standards of excellence in finance. The association also provides a quarterly AFP Corporate Cash Indicators reporting economic growth, and hosts the largest networking event for corporate finance professionals in the world.

CareerBank - http://www.careerbank.com
The CareerBank website hosts job boards offering positions in the Accounting, Finance and Banking fields, as well as resume posting and job alert features, and other career resources.

Website has many search engines that can locate finance and banking positions in one convenient place. Included are employer profiles on major companies such as Abbott and 3M Industries.

JPMorgan Chase - http://careers.jpmorganchase.com
Previously Bank One, the JPMorgan Chase home page has an entire portion of their site devoted to careers in banking and finance.

Page provides a directory of accounting, finance, and banking associations in order to make industry contacts, find and attend events, and conduct career research that could help one find their next job.
