I. PREAMBLE TO THE AGREEMENT

Governors State University is a community committed to providing a high quality academic environment grounded in the University’s mission of teaching, diversity, service, technological application and integration. The principles guiding the University’s mission include:

- respect and fair treatment for each individual;
- respect for individual views;
- fulfillment of professional responsibilities;
- the belief that the common interests of the institution exceed individual differences and individual issues;
- concern for those who come after us;
- the belief that individual rights and privileges are to be exercised with responsibility;
- the conviction that no one is above the law
- due process is provided for students, faculty, academic staff, and administration.

The intent of this Agreement is to carry out the University’s mission and to improve the quality and effectiveness of education at Governors State University by promoting the highest standards of academic excellence in all phases of instruction and professional service to the University. The parties hereto concur that these objectives can be materially achieved by means of amicable adjustment on matters of mutual interest.

The parties recognize that mutual benefits are to be derived from continual improvement in the position of the University as an institution of higher learning committed to its mission and guiding principles. It is further recognized that the roles and responsibilities of the University administration, the faculty, and the academic staff are interdependent in the determination and implementation of educational policy and objectives. Both parties agree that appropriate and effective involvement of the faculty and academic staff in the development of institutional interests and in the development of University employment policies for the bargaining unit is a major objective of this Agreement.

It is an interest of the Governors State University that all its parties’ rights—individual and collective—be known, respected, and effectively protected. Thus, a purpose of this Agreement is to delineate and provide protection for parties’ and individuals’ rights.

It is an interest of the Governors State University community to establish and make known agreed upon ways of handling issues affecting its members. An additional purpose of this Agreement is to identify procedures for ongoing processes required to enhance the operations of the University. It is an interest of
the Governors State University community that all of its duties and responsibilities be well performed. A function of this Agreement is to regularize and ensure the quality of performance of the members to whom it applies.

This Agreement is built on the mission, guiding principles, and shared interests of all its members.
ACADEMIC FREEDOM

As members of the community, the faculty have rights and obligations. When they speak or write as citizens, they are free from institutional censorship or discipline, but their special positions in the community impose obligations which should be evaluated in the light of responsibilities to their disciplines, to their students, to their profession and to the University. Engaged in a profession that depends upon freedom for its health and integrity, faculty have an obligation to promote conditions of free inquiry. The protections of academic freedom together with academic responsibility apply to all persons associated with the University who exercise teaching and/or other professional responsibilities.

Governors State University shall operate under the following principles of academic freedom and responsibility. The primary purpose of this statement is to promote public understanding and support of academic freedom and tenure, and to outline agreed-upon procedures to assure them at Governors State University.

Academic freedom is essential to the mission of the University and applies to teaching, research, and service. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the faculty member in teaching and of the student in learning. It carries with it duties correlative with rights and responsibilities.

1. The faculty member is entitled to full freedom in research and the publication of results.
2. The faculty member is entitled to freedom in the classroom in discussing his/her discipline.
3. The College or University faculty member is a member of a learned profession, and an officer of an educational institution. When she/he speaks or writes as a citizen, she/he shall be free from institutional censorship or discipline as related to the scope of his/her teaching, research, and service.
4. University faculty shall not be retaliated against on the basis of political activity, political party membership, Union activity, religious affiliation, gender, age, race, disability, sexual orientation or gender identity.
ACADEMIC RESPONSIBILITY

Membership in the academic community imposes on students, faculty members, and administrators an obligation to respect the dignity of others, to acknowledge individual rights to express differing opinions, as well as to foster and defend intellectual honesty, freedom of inquiry and instruction, and free expression both on and off campus.

Students are entitled to an atmosphere conducive to learning and to even-handed treatment in all aspects of the teacher-student relationship. Faculty members may not refuse to enroll or teach students on the grounds of their beliefs or the possible uses to which they may put the knowledge to be gained in a course. Students should not be forced by the authority inherent in the instructional role to make particular personal choices as to political action or their own role in society. Evaluation of students and the award of credit must be based on the professional judgment of academic performance and not on matters irrelevant to that performance, whether personality, race, religion, degree of political activism, personal beliefs, or other protected status.

Faculty are curriculum experts for their disciplines and are responsible for maintaining program integrity, excellence and quality. Faculty need administrative support of their efforts. This is especially critical when determining the ratio of full to part-time faculty for specific programs.

Faculty are responsible for creating a learning atmosphere (both cognitive and emotional). Faculty are responsible for staying current in their discipline.

Technological advances need to be accessible to faculty so that they may apply them to their respective disciplines. Access for the faculty is important because it leads to utilization by the students and the community as a whole.

Members of the GSU community agree that there shall be moments of disagreement and recognize that disagreement and civility can co-exist.

An Employee's performance of professional obligation to the University, as specified in the Employee teaching and reassignment schedule, in the annual work plan, in the approved criteria for evaluation, and in the terms of this Agreement, is primary and shall be given priority over other employment whether external or internal to the University. Active participation by faculty members in external research and consulting that enhance their professional skills or constitute public service are beneficial to the University as well as to the individual and are encouraged as long as these activities are not so substantial or demanding of the faculty member's time and attention as to interfere with the individual's primary University responsibilities.

(2) This employment includes all forms of University/College teaching whether in the classroom or via distance learning offered by other entities (including for profit organizations), consulting* and advisory services, and includes all external employment of any sort. With the exception of occasional guest lecturers or seminars, teaching for another entity while employed On Contract as a full time faculty member/Employee at Governors State University represents a potential conflict of commitment and interest.

* Consulting services reported under the Act 100 requirement do not have to be reported as Secondary Employment; however, do require prior approval as indicated in Article 4 of the Agreement.

(3) Employees on ten-month contracts and paid over ten months or those on ten-month contracts and paid over twelve months may accept outside or secondary employment during the summer months when they are Off Contract without approval, providing they do not have full
time employment with the University for any part of the two months in
the summer when they would normally be Off Contract.

(4) The term “On Contract” also includes time on sabbatical or paid leave. Honoraria for lectures, artistic performances or literary articles, private income from investments and royalties from books or patents are not considered compensation for secondary employment for purposes of this policy.

b. Approval of secondary/outside employment: With the approval of the Provost/Vice President of Academic Affairs, following submission of the request to the Division/Department Chair and Dean with recommendations for approval/denial, an employee may engage in outside employment for which the Employee receives compensation for entities outside the University while employed On Contract as a full-time Employee at Governors State University.

(1) University/College teaching outside of Governors State University:
   (a) This includes all forms of University/College teaching whether in the classroom or via distance learning offered by other entities (including for-profit organizations),
   (b) Employees may teach no more than one University/College course outside of GSU in the fall semester and no more than one University/College course in the spring semester. One University/College course is defined as 30% time.
      or

(2) Employment outside of Governors State University other than University/College teaching:
   (a) This includes clinical practice in the Employee’s profession, consulting and advisory services in the Employee’s profession, and includes all external employment of any sort.
   (b) Employees may be employed in any of these employment activities no more than 30% time or 1.5 Days per week, unless a greater percentage is required to maintain professional licenses.

c. Approval Process for Secondary/Outside Employment

(1) All secondary/outside employment is prohibited without prior written approval of the Provost/Vice President of Academic Affairs.

(2) The Employee must submit a request for outside employment to his/her Division/Department/Unit Chair/Director and Dean who will forward the request to the Provost/Vice President of Academic Affairs with recommendations for approval/denial.

(3) The Employee’s request will be in writing and will indicate the nature of the outside employment and an estimate of the amount of time which will be involved.
(4) If approved, an Employee's performance of professional obligations to the University shall have priority over any outside employment. Approval may not be unreasonably denied, subject to the grievance article of this Agreement. Reasons for denial will be submitted to the Employee in writing.

(5) Notification of continuing secondary/outside employment must be resubmitted by the employee at the beginning of each Academic Year.

d. Any violation of this policy will be subject to the Sanction and Termination Article of this Agreement.

4.3. DISCLOSURE AND PRIOR APPROVAL

An Employee may identify herself/himself as representing the University in outside employment only when that representation is approved by the University. In the absence of this approval, an Employee may not identify herself/himself as representing the University.

4.4. GRANT/CONTRACT SALARIES

If an Employee is assigned work on an externally funded grant or contract, the work may be excluded from her/his assigned obligation if approved by the Provost/Vice President for Academic Affairs. See Article 16.3 and Article 29.5.

4.5. UNIVERSITY RESOURCES AND SPECIAL CONDITIONS

Individuals may not use scientific and office equipment, supplies or space of the University for paid external activities, unless prior written agreement has been obtained from the Division/Department/Unit head, as appropriate. In all instances of outside employment, the outside employers must be informed in writing that the University employee is acting in a private capacity and that the institution, agency, school, department or office is not liable or responsible for the employee’s conduct or performance. This notification to outside employers is the responsibility of the employee seeking outside employment.

4.6. DUAL EMPLOYMENT

Dual employment—that is, full-time employment at the University and any other organization—will be subject to all of the procedures for prior approval delineated above. No such cases will be approved after the fact, that is, after the Employee has agreed to accept full-time employment outside Governors State University.

GRIEVANCE PROCEDURE

13.1. PURPOSE

The Board and the Union encourage the informal resolution of grievances and agree that problems should be resolved before the filing of a grievance. Open communication is encouraged so that resorting to the formal grievance procedure normally shall not be necessary. The purpose of this Article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. The procedures hereinafter set forth shall be the sole and exclusive method of resolving the grievances of Employees.

13.2. ALTERNATIVE FORUMS

If prior to filing a grievance hereunder, or while a grievance proceeding is in progress, an Employee seeks resolution of the matter in any other forum, whether administrative or judicial, except in cases of discrimination filed before the EEOC or the Illinois Human Rights Commission, the University shall have no obligation to entertain or proceed further with the matter pursuant to this grievance procedure. Further, since the University and the Union do not intend that this grievance procedure be a device for appellate review, a response by the Board or its representatives, to a recommendation of a hearing officer or other individual or group having appropriate jurisdiction in any other procedure shall not give rise to a grievance under this procedure.

13.3. DEFINITIONS

a. Grievance
   The term "grievance" shall mean a dispute concerning the interpretation or application of a specific term or provision of this Agreement, subject to those exclusions appearing in other Articles of this Agreement.

b. Grievant
   The term "grievant" shall mean an Employee or group of Employees in a dispute over a term or provision of this Agreement as it relates to them, or the Union in a dispute over a term or provision of this Agreement as it relates to the Union as an organization.

13.4. REPRESENTATION

The Union may, with the consent of the Employee, represent an Employee in a grievance filed under this Article. An Employee may also represent herself/himself in an informal grievance hearing under this Article. If an Employee chooses to
represent herself/himself, she/he shall so inform the Union and the University at the time of filing. No resolution of any individually processed grievance shall be inconsistent with the terms of this Agreement and for this purpose the University shall have the right to have an observer present at all meetings called for the purpose of discussing grievances. The Union grievance officer shall be notified at least 24 hours in advance of any such meeting.

13.5. GRIEVANCE REPRESENTATIVES

Within 30 Days after the execution of this Agreement, the University shall furnish to the University a list of all persons authorized to act as grievance representatives and shall update the list as changes occur. A grievance representative shall be an Employee of the University and shall have the responsibility to meet classes, office hours, and other assigned duties and responsibilities. If the responsibilities of a Union grievance representative require rescheduling of the representative’s University duties, the representative may, with the approval of the Provost/Vice President for Academic Affairs, arrange for the rescheduling of such duties or their coverage by colleagues. Such approval shall not be unreasonably withheld.

13.6. APPEARANCES

If it is necessary for an Employee to participate in a settlement meeting or a grievance hearing, or arbitration proceeding during working hours, the Employee’s salary shall neither be reduced nor increased for time spent in such activities. Prior to participation in any such proceeding, the Employee shall make arrangements acceptable to the Provost/Vice President for Academic Affairs for the performance of the Employee’s duties. Approval of such arrangements shall not be unreasonably withheld.

13.7. GRIEVANCE FORMS

All grievances and requests for review must be submitted on forms as attached to this Agreement as Appendices C, D and E and shall be signed by the grievant. Except for the initial filing of the grievance, if there is a difficulty in meeting any time limit, the Union representative may sign such documents for the grievant and later file a copy signed by the grievant.

13.8. STOPPING THE GRIEVANCE CLOCK

The grievance clock shall stop between the Academic Terms when classes are not in session.

13.9. COMPLIANCE WITH PROCEDURE

All grievances must be filed in accordance with the procedures in this Article. The University shall be under no obligation to process or consider a grievance which is not filed in accordance with the procedures of this Article.
13.10. PROCEDURE FOR HANDLING GRIEVANCES

a. Informal Resolution Process

(1) Filing and Informal Resolution
A request to informally resolve a potential grievance issue shall be filed with the Provost/Vice President for Academic Affairs within 30 Days following the date of the act or omission giving rise thereto, or the date on which the Employee knew or reasonably should have known of such act or omission if that date is later.

The Employee may, for the purpose of furthering the informal resolution of the grievance, request the postponement of any action in processing the informal settlement for a period of up to 30 Days. If such a request is made, it shall be granted. The Employee may terminate the postponement period at any time by giving written notice to the Provost/Vice President of Academic Affairs/designee that the grievant wishes to proceed with the meeting provided for in (2) below.

Informal Resolution shall utilize a positive resolution process and shall involve a representative from the administration and a faculty representative from the UPI. During the original 30-day period or a postponement period, a faculty representative from the UPI and a representative from the administration shall arrange an informal conference with the appropriate University representative(s) and/or the potential grievant for the purpose of investigating ways to settle the grievance informally. Upon the expiration of the allotted time period for informal resolution or upon the request of the grievant, the University shall proceed to the hearing in (2) below.

(2) Grievance Hearing
(a) If the grievance is not satisfactorily resolved at the Informal Resolution stage, the Union may, upon the request of the grievant, file a written request for review with the Provost/Vice President of Academic Affairs or her/his designee within 30 days following receipt of the decision that an informal resolution could not be reached.

(b) In advance of the grievance hearing, the grievant, Union representative, and the administrative representative shall have the right, upon request, to a copy of any existing identifiable documents relevant to the grievance. At the hearing, the grievant and the Union representative shall have the right to present any evidence in support of the grievance.

(c) The Provost/Vice President for Academic Affairs or her/his designee shall issue a written decision, stating the reasons therefore, within 30 Days following the conclusion of the meeting. In the event the decision at the hearing refers to documents not requested or presented, copies of such documents shall be attached to the decision.
(d) Only those acts or omissions and terms or provisions of the Agreement identified at the grievance hearing may be considered at subsequent hearings such as arbitration.

b.  **Arbitration**

If the grievance is not satisfactorily resolved at the grievance hearing, the Union may, upon the request of the grievant, proceed to arbitration by filing a written notice of intent to do so. Notice of intent to proceed to arbitration must be filed with the University President/designee within 30 Days after receipt of the grievance hearing decision and shall be signed by the grievant and the Union President or her/his designee. No later than 30 Days after filing a written notice of intent to arbitrate, the Union and the University shall select an arbitrator and date for the arbitration hearing. The arbitration hearing shall take place no later than three months after the filing of the intent to arbitrate. All dates may be extended by mutual consent of the Union and the University.

c.  **Withdrawal of Grievance**

A grievance may be withdrawn at any time by the grievant or by the Union representative at any point during the formal hearing or arbitration process.

### 13.11. ARBITRATION PROCEDURE

a.  **Selection of an Arbitrator**

Representatives of the University and the Union shall meet within 30 Days after the execution of this Agreement for the purpose of electing an Arbitration Panel of no more than 15 members.

Selection of an arbitrator to hear a grievance shall be by mutual agreement or by alternately striking names from the Arbitration Panel list until one name remains. The right of the first choice to strike from the list shall be determined by the flip of a coin. If the parties are unable to agree to a panel of arbitrators, they shall follow the normal American Arbitration Association procedure for the selection of an arbitrator. The parties may mutually select as the arbitrator an individual who is not a member of the Arbitration Panel.

b.  **Authority of the Arbitrator**

(1) The arbitrator shall neither add to, subtract from, modify, nor alter the terms or provisions of this Agreement. Arbitration shall be confined solely to the application and/or interpretation of this Agreement and the precise issue(s) submitted for arbitration. The arbitrator shall have no authority to determine any other issue(s). The arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to the determination of the issue(s) submitted.

(2) Where an administrator has made an academic judgment, such as a judgment concerning application of evaluation criteria in decisions on
retention, professional advancement increase, or tenure, or a judgment concerning the academic acceptability of a sabbatical proposal, the arbitrator shall not substitute her/his judgment for that of the administrator. Nor shall the arbitrator review such decision except for the purpose of determining whether the decision has violated this Agreement. If the arbitrator determines that the Agreement has been violated, the arbitrator shall direct the University to take appropriate action. An arbitrator may award back salary where the arbitrator determines that the Employee is not receiving the appropriate salary from the University but the arbitrator may not award other monetary damages or penalties. If notice that further employment shall not be offered is not given on time, the arbitrator may direct the University to renew the appointment only upon a finding that no other remedy is adequate and that the notice was given so late that (a) the Employee was deprived of reasonable opportunity to seek other employment or (b) the Employee actually rejected an offer of comparable employment which the Employee otherwise would have accepted.

An arbitrator's decision awarding employment beyond the sixth year shall not entitle the Employee to tenure. In such case the Employee shall serve during the seventh year without further right to notice that the Employee shall not be offered employment thereafter.

c. **Arbitrability**
In any proceeding, the first matter to be decided is the arbitrator's jurisdiction to act, which decision the arbitrator shall announce. Upon concluding that the arbitrator has no such power, the arbitrator shall make no decision or recommendation as to the merits of the grievance. Upon concluding that the issue is arbitrable, the arbitrator shall normally proceed with the hearing at the time, provided that either party may seek judicial review of the arbitrator's decision as to jurisdiction and have the hearing on the merits of the grievance delayed until such review is completed.

d. **Conduct of Hearing**
The arbitrator shall hold the hearing at the University unless otherwise agreed to by the parties. The hearing shall commence within 21 days of the arbitrator's acceptance of selection, or as soon thereafter as is practicable, and the arbitrator shall issue the decision within 30 Days of the close of the hearing or the submission of briefs, whichever is later, unless additional time is agreed to by the parties. The decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issue(s) submitted. Except as modified by the provisions of this Agreement, arbitration proceedings shall be conducted in accordance with the rules and procedures of the American Arbitration Association.
e. **Effect of Decision**
   The decision or award of the arbitrator shall be final and binding upon the Board, the Union, and the grievant to the extent permitted by and in accordance with applicable law and this Agreement.

f. **Fees and Expenses**
   All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case. Any party desiring a transcript of the proceedings shall bear the cost. The cost of any transcripts required by the arbitrator shall be divided equally between the parties.

13.12. **MISCELLANEOUS PROVISIONS**

a. **Settlement Implementation**
   All grievance settlements shall specify a time by which the settlement shall be implemented. The time limit may be extended by mutual agreement between the University President and the Union President.

b. **Time Limits**
   All time limits contained in this Article may be extended by mutual agreement of the parties, except that the time limits for the initial filing of a grievance may be extended only by agreement between the University President and the Union President. Upon failure of the University President to provide a decision within the time limits provided in this Article, the Union may appeal to the next step. Upon the failure of the Union to file an appeal within the time limits provided in this Article, the grievance may only go forward by mutual agreement.

c. **Notification**
   All grievances, requests for review, notices, and decisions shall be transmitted in person or by certified or registered mail, return receipt requested. In the event of a question as to the timeliness of any grievance, request for review, notice or decision, the date of receipt shall be determinative.

d. **Precedent**
   No complaint informally resolved or grievances resolved through the grievance hearing shall constitute a precedent for any purpose unless agreed to in writing by the University President and the Union President.

e. **Retroactivity**
   An arbitrator's award may be retroactive as the equities of a case may demand, but in no case shall an award, including an award of back salary, be retroactive to a date earlier than 30 Days prior to the date the grievance was initially filed in accordance with this Article or the date on which the act or omission occurred, whichever is later.
f. **Processing**
The filing or pendency of any grievance, or of arbitration proceedings, under this Article shall not operate to impede, preclude, or delay the University from taking the action in the complaint. Reasonable efforts, including the shortening of time limits when practical, shall be made to conclude the processing of a grievance prior to the expiration of the grievant's employment. In no event shall any Employee, as a result of a pending grievance, receive compensation following cessation of employment.

g. **Reprisal**
No reprisal of any kind shall be made by the University or Union against any grievant, witness, or other participant in the grievance procedure by reason of such participation.

The University President and UPI Chapter President shall each select four members, no two of whom shall be in the same College/Unit. Committee members will be appointed for two-year, renewable terms and will serve until new members are appointed. The committee will be formed no later than October 1 of each year.

14.3. SANCTION

a. Basis for Sanctions and Availability of Relevant Documents

Appropriate sanctions less than termination may be imposed on an Employee for violation of employment obligations contained in Board or University policy, rules, or regulations or in this Agreement. The Board/University shall make all applicable policies, rules, and regulations available on the GSU website and give a hard copy to the UPI Chapter President. No Employee shall be sanctioned for a violation of these policies, rules, or regulations until they are made available on the GSU website and available to the GSU UPI Chapter President.

b. Meeting to Discuss Sanction and Possible Resolution

Prior to any sanction being imposed on an Employee, the University President or her/his designee shall hold at least one meeting with the Employee to notify the Employee that a sanction is being considered, to present the alleged violation and related documentation, and to discuss possible resolution of the matter. The UPI Chapter President shall be informed of this meeting, and a Union representative may be present at the meeting, with the consent of the Employee.
c. **Notification of Sanction**
   If the matter is not resolved by the meeting, the University President shall send the Employee written notice of the sanction by certified mail, including a statement of the reasons for the sanction.

d. **Right to Hearing and Procedures to Convene Hearing Panel**
   If the proposed sanction is other than a written reprimand, the Employee shall have the right, at her/his request, to a hearing before a panel of three Employees from the same bargaining unit. One member and an alternate of the panel shall be selected by the Employee from the Sanctions and Termination Committee and one member and an alternate by the University President from the Sanctions and Termination Committee; the third member is selected from the relevant Sanctions and Termination Committee by the two members so selected. If the Employee has requested a hearing and if a panel is not selected by this method within 10 Days of the request for a hearing, the University President, in consultation with the UPI Chapter President, shall select the remaining member of the panel from the relevant Sanctions and Termination Committee. If a full panel is not selected by this method within the specified time period, and the University President is unable to contact the UPI Chapter President or his/her designee within 10 Days thereafter, the University President will appoint the remaining members to the panel from the relevant Sanctions and Termination Committee.

e. **Role of Panel**

Within 30 Days of the proposed sanction being referred to the panel, the panel shall meet to review the reasons for the proposed sanction and related documentation. The panel has a right to request of both the University and the Employee identifiable documents related to the written charges. The burden of proof that a sanction is warranted and appropriate rests with the University.

f. **Hearing Sessions and Panel Findings**
   The panel shall make a good faith effort to hold full day hearing sessions, five Days per week. The University shall offer appropriate released time to Employees serving on the panel. A hearing on a proposed sanction shall not exceed 10 Days unless extended by a majority vote of the panel. Extension will be for no more than an additional five Days and the University President and the UPI Chapter President will be notified of the extension and the reasons within one Day of the decision.

   If the panel concludes that the University has met its burden of proof for a sanction and that the proposed sanction is appropriate, it shall so report, with supporting reasons, to the University President. If the panel reaches an alternate conclusion, it shall report its conclusion to the University President,
with supporting reasons, and with recommendations for disposing of the matter.

The panel will submit a written summary of their reasons including their recommendations to the University President and UPI Chapter President within 15 Days of the last meeting.

When practical, the Employee shall be present but such presence is not required for the proceeding to go forward.

(4) Hearing Record, Burden of Proof, Right to Present Witnesses
A verbatim record of the hearing shall be taken and a written copy shall be provided to the Employee. The burden of proof that Adequate Cause exists rests with the University and shall be satisfied only by clear and convincing evidence in the record considered as a whole. (5) Hearing Sessions and Panel Findings
The panel shall make a good faith effort to hold full Day hearing sessions, five Days per week. The Board shall offer appropriate release time to Employees serving on the panel. If the University President rejects the report, she/he shall state in writing
the reasons for doing so to the hearing panel, the UPI Chapter President, and the Employee and provide 15 Days for delivery of a written response. If the hearing panel concludes that Adequate Cause for dismissal has been established, it shall so recommend in writing, with supporting reasons to the UPI Chapter President and the University President. It shall be the Employee's responsibility to keep the University advised of the Employee’s current address. An offer made pursuant to this section must be accepted within 30 Days, such acceptance to take effect not later than the beginning of the Academic Term specified in the offer. Sections in this Article apply differently to Unit A: Teaching and Resource Faculty (Sections 16.1 through 16.8 and 16.11); Unit B: University and Senior Lecturers and Temporary Resource Faculty (Sections 16.1 through 16.5, 16.7, 16.8 and 16.11); and Unit B: Academic Support Professionals (Sections 16.9 through 16.11). Such application is indicated in the title to each section.

16.1. ASSIGNMENT OF DUTIES (UNIT A: TENURED/TENURE TRACK FACULTY; UNIT B: UNIVERSITY AND SENIOR LECTURERS, AND TEMPORARY RESOURCE FACULTY)

a. Unit A: Tenured/Tenure Track Faculty

(1) Teaching Faculty:
The primary professional responsibility of Unit A Teaching faculty is Teaching/Primary Duties, supported by active participation in Research/ Creative Activity and Service. The professional obligation of a Unit A Teaching faculty is composed of both assigned and unassigned duties and activities. Unit A teaching faculty are responsible for teaching assignments of up to 24 credit hours which shall be reflected on the Division/Department teaching schedule for each Academic Term. In addition to this documentation of teaching assignments, reassigned time, when applicable to a Unit A Teaching faculty member, shall supplement the Division/Department teaching schedule and shall provide specific information about any portion of the 24 credit hours that will be assigned to activities other than teaching (see Section 16.3).

(2) Resource Faculty:
The primary obligation of Unit A Resource faculty includes activities that contribute to the teaching-learning environment for both students and faculty colleagues as well as that contribute to their own profession. These comprise a diversity of both assigned and unassigned duties and responsibilities. Primary duties for resource faculty account for 80% of their workload and the remaining 20% is dedicated to scholarly activities and/or service.
b. Unit B Faculty: University and Senior Lecturers and Temporary Resource Faculty
The professional obligation of a University and Senior Lecturer and a Temporary Resource Faculty is composed of assigned teaching/primary duties which shall be reflected in a letter of appointment that specifies the assigned load percentage relative to a 30 credit hour maximum load, the Division/Department teaching or primary duties schedule, and if applicable, a list of reassigned responsibilities.

16.2. DEFINITION OF ASSIGNED OBLIGATION (UNIT A: TENURED/TENURE TRACK FACULTY; UNIT B: UNIVERSITY AND SENIOR LECTURERS AND TEMPORARY RESOURCE FACULTY)

a. Unit A Faculty

(1) Teaching Faculty:
Assignment loads are 24 credit hours for Unit A Teaching Faculty. Teaching load may include supervision of special learning activities when such activities and/or projects are a significant part of the workload. For example, curriculum development, composition or writing intensive courses, intensive participation in lower division cohorts, supervision of independent studies and/or thesis/final projects, supervision and maintenance of laboratories and/or studios, and consistent supervision of field activities such as practice teaching, clinical affiliation, and internships will be considered in the assignment of workload (see Credit Hour Guidelines).

(2) Resource Faculty:
Resource faculty assignments comprise an annual work plan whose standard percentages equal 80% primary duties and 20% for research/creative activities and service. These assignments are part of the ordinary duties of Resource Faculty and do not preclude them from applying for and being granted additional reassigned time as specified in Section 16.3 based on their research agenda, creative activities, and productivity.

(3) Unit A Faculty Contract and Assignment Periods
(a) Unit A Teaching Faculty shall have a 10-month annual appointment which includes two semesters and they will have eight weeks when they are Off Contract in the summer.
   i. If based on program need and agreement of the faculty member, teaching faculty may be assigned his/her eight weeks off during the fall or spring semester.
   ii. No Unit A Teaching Faculty member will be assigned to teach in the summer session unless he/she agrees to the assignment.
iii. Unit A Teaching Faculty will primarily teach their courses in two semesters (i.e. fall and spring semesters). If necessary, in order to meet minimum credit hour requirements, based on program need, and agreement of the faculty member, the Chair/Dean may assign a faculty member to teach his/her 24 credits over two semesters and the summer session.

(b) Unit A Teaching Faculty will receive one credit hour for planning for every course preparation over five different three credit hour courses per contract year.

(c) Unit A Resource Faculty shall have an annual appointment of 12 months. Unit A Resource Faculty may be hired on appointments of less than 12 months. The assigned load, as measured by credit hours, may be a combination of assigned teaching; supervision of graduate and undergraduate research; service to the Division/Department, College, University, and community; advising; or librarianship (when applicable to assignment). Participation in composition or writing intensive courses, intensive participation in lower division cohorts, supervision and maintenance of laboratories and/or studios, and consistent and significant supervision of field activities such as practice teaching, clinical affiliation, and internships, will be considered in the assignment of workload (see Credit Hour Guidelines). Employees continue to be encouraged to engage in unassigned professional development activities and research/creative activities related to the Employee’s assignment.

(1) **Unit B Faculty Contract and Assignment Periods:**

(a) If an Employee has a part-time appointment (less than 12 months and/or less than 100 percent), her/his assignment shall be proportionate to the appointment. Thirty credit hours or its full-time work plan equivalent will be used to determine the workload and salary percentage in their initial assignment. The assignment of an additional course(s) or obligation(s), including laboratories/studios, which increases the workload above the level of the existing part-time credit range, will result in the issuance of a new contract with the salary and workload percentage increased by prorating the additional assignment as a percentage of the 30 credit hours or its full-time work plan equivalent.
(b) An Employee on a part-time contract shall be provided an opportunity to discuss any modification in the official assignment specified in her/his letter of appointment.

iv. If an Employee is assigned duties for only part of a period of appointment, her/his assigned obligation shall be reduced in proportion to the period of appointment.

v. A University and Senior Lecturer will receive one credit hour for every course preparation over five different three credit hour courses per Academic Year.

A Unit A Teaching or Resource Faculty member shall have an opportunity to discuss an assignment, including unofficial assignments reflected in preliminary course schedules, in advance of an official assignment except where it is impossible to do so because of leave status or illness of an Employee, unexpected staff changes or changes necessitated by enrollment. If requested in writing by the Employee at least one week prior to the issuance of written assignments by the Chair as published in the University schedule, a personal consultation shall be held between the Employee and the Chair. A reasonable effort shall be made to provide an advance opportunity to discuss an official assignment to an Employee who is away from campus on University business.

(c) Reassigned time for research/creative activity of more than three credit hours for Teaching faculty or 20 percent workload for Resource Faculty per year will only be considered in consultation with the Dean of the College or Library, supported with evidence of a superior level of professional activity as measured by the Division/Department criteria.

   i. For Unit A Teaching Faculty the number of credit hours will be determined by the Dean and Chair in consultation with the faculty member.
   ii. For Unit A Resource Faculty the percentage of work plan will be determined by the Dean in consultation with the faculty member.

(2) Service: Reassigned time for extraordinary service or committee obligations, coordination of advising, program coordination, multiple–section course supervision, and other administrative duties will also be considered in workload reassignments. See also Article 2.5 and Credit Hour Guidelines.
   a) Reassignment of credit hours or standard work plan responsibilities for all full-time Unit B Faculty for extraordinary service or committee obligations, coordination of advising, program coordination, multiple–section course supervision, and other administrative duties will also be considered in workload assignments (see Credit Hour Guidelines.)

f. Development of Assignments
The Division/Department/Unit Chair shall develop the schedule of instructional assignments or, in the case of Resource Faculty, the assigned work plan. The Chair shall also develop a listing of faculty reassigned time as applicable based on the process described in section 16.3.e. All scheduling and reassignment information shall be submitted to the appropriate Dean for review and approval. The Dean will submit the schedule and reassignments to the Provost/Vice President for Academic Affairs for final approval.

(4) Once modifications to the Credit Hour Guidelines are approved by the University President, they will remain the same throughout the duration of this Agreement.
16.5. OVERLOAD (UNIT A: TENURED/TENURE TRACK FACULTY; UNIT B: UNIVERSITY AND SENIOR LECTURERS AND TEMPORARY RESOURCE FACULTY)

Termination, or other matters that do not relate to the three evaluative categories.

b. Procedures for Developing Division/Department/Unit Criteria The current statements of Division/Department criteria shall remain in effect for the duration of this Agreement, or until a revised statement of criteria is approved by the President. Failure of the Department/Division faculty to submit a timeline within 15 Days of delivery or receipt of a written draft of revised Division/Department criteria will result in having the draft of revised Department/Division criteria considered withdrawn in Department/program-initiated revisions or giving the Dean the option of issuing a timeline in revisions initiated by the Chair or Dean. Additionally, the Office of the Provost, in consultation with the UPI Chapter President, will develop and make available within the University portal a general timeline that may be submitted by whichever entity initiates the revision process.

If the President or Designee does not approve the proposed revised statement of criteria either in whole or in part, the President or Designee shall provide a written statement to the Dean, with copy to the UPI Chapter President, of the basis for disapproval together with a revised statement of criteria. The Dean shall forward the response and the revised statement of criteria to the Division/Department Unit A faculty. The UPI Chapter President and, if so desired, an individual chosen by the UPI Chapter President, will meet with the President and/or Designee. If no resolution is reached, the criteria as approved by the President will become effective per Article 17.6.c.

(g) Service on the committee as an alternate shall not affect an Employee’s eligibility to be subsequently elected for a three-year term.

(3) If a UPC is not elected or if it fails to make a recommendation, the failure shall not prevent decisions concerning retention, salary increases, PAI, tenure, or promotion of University Employees.

(4) The only role of a CPC and the UPC in evaluation of Employee performance is to provide a recommendation concerning retention, tenure, promotion, or professional advancement increase of a University Employee.
c. Implementation of Evaluation Committee Structure

29.5. GRANT/CONTRACT SALARIES

If an Employee is assigned work on an externally funded grant or contract, the work may be excluded from her/his assigned obligation if approved by the Provost/Vice President for Academic Affairs. For all such grant or contract work so excluded an Employee may earn up to a total of 40 percent of her/his basic salary in a 10 or 12-month period based on his/her appointment. This amount shall be in addition to the Employee’s basic salary if allowed under the rules of the sponsoring agency. This section shall not apply to grant or contract work performed during sabbatical leave. See Article 4.3.

Prior to his/her third year of full-time employment at the University an Employee may request a salary increase under 29.5.a above; however, these requests will only be considered by the President in consultation with the Dean and Provost/Vice President for Academic Affairs in situations where the loss of the Employee would likely lead to a hardship to the academic program where the Employee is assigned.

d. Eligibility for Additional Increases
An Employee who receives an increase under paragraph a. above shall be eligible for the increases: professional advancement increase; completion of degree increase; and excellence award increase, if the Employee is otherwise eligible for the increase under the terms of the Article 29 and under the terms of Article 28.2. If the legislature does not appropriate funds for these categories, then the University will reallocate funds to provide for the "MPDEE". 30.1. INTRODUCTION

The purposes for which a leave without salary may be requested are: (a) personal, (b) research, (c) advanced study, (d) professional development, or (e) public service.

a. Length of Leave

30.3. AWARD OF LEAVE

A leave without salary or an extension of a leave without salary is granted at the discretion of the President. Each application for leave is evaluated on an individual basis. In the event that a leave is denied, the applicant may request a written explanation of the denial. The University President shall respond to this request within 10 Days.

If an Employee believes an application for a leave without salary has been arbitrarily and capriciously denied, she/he may file a grievance under Article 13, Grievance Procedure. The sole question to be decided in any such grievance shall be whether the denial was arbitrary and capricious.

30.4. BENEFITS WHILE ON LEAVE WITHOUT SALARY

a. Full or Fractional Leave

While on leave without salary or fractional leave without salary, an Employee shall receive the following benefits as applicable:

30.5. SALARY INCREASES

Upon return to the University from a leave without salary, an Employee's salary shall be adjusted to reflect nondiscretionary increases which the Employee would have received if not on leave, as well as service credit pursuant to 30.4.

30.6. CREDIT TOWARD TENURE

Time spent by an Employee on a full-time leave without salary for the purpose of research, advanced study, professional development, or public service shall be credited for the purpose of determining eligibility for tenure only if approved by the University President or designee. The doctor shall submit an opinion to the University President as to whether the Employee (1) has a physical or mental condition which constitutes a health or other hazard to the Employee, fellow Employees, or others with whom the Employee may come in contact or (2) has a physical or mental condition which prevents the Employee from performing the duties required by the position of employment. A copy of the doctor's opinion shall be given to the Employee. At the Employee's discretion and expense, a second medical opinion may be obtained for consideration by the president. If two medical opinions are obtained which are in conflict, an appropriate outside medical expert agreed upon by the University and the GSU/UPI shall be identified to supply an additional medical opinion for consideration by the University President. The expense of the third doctor's opinion shall be shared equally by the Employee and the University.

b. President's Decision
If, after reviewing the medical opinions and other materials relevant to the Employee's illness or injury, the University President concludes that the Employee (1) presents a health or other hazard to the Employee, fellow Employees, or others with whom the Employee may come in contact or (2) is unable to perform the duties required by the position of employment, the University President shall place the Employee on compulsory leave. The University President shall notify the Employee in writing of the duration of the compulsory leave period. Any earned leave credits shall be used during the compulsory leave period. That portion of the compulsory leave, if any, which is not covered by earned leave credits shall be without pay.

c. Request for Early Return to Work
After expiration of one-half of the compulsory leave period, the Employee may, upon prior notice to the University, and at the Employee's expense, seek a medical opinion from a doctor acceptable to the University as to the ability of the Employee to return to work. If after reviewing the opinion and other materials relevant to the Employee's illness or injury, the President concludes the Employee is able to return to work, the Employee may return to work at the beginning of the next Academic Term of the University.
d. **Return at End of Leave**

If, after reviewing the opinion of a doctor chosen and paid for by the University or by a doctor chosen and paid for by the Employee who is acceptable to the University, and other materials relevant to the Employee's illness or injury, the University President concludes an Employee is unable to return to work at the end of a compulsory leave, the University President may (1) extend the period of compulsory leave, (2) request the Employee's resignation or (3) if the University cannot reasonably accommodate the illness or injury, recommend termination in accordance with the procedures provided in Article 14. An Employee who accrues the maximum, and whose sick leave balance does not include any cumulative sick leave earned before January 1, 1984, shall earn no further sick leave until the Employee's use of sick leave reduces the accrual below the maximum.

j. **Lump Sum Payments of Accrued Sick Leave (Unit A: Tenured/Tenure Track Faculty; Unit B: Academic Support Professionals)**

1. **Conditions for Payment**

Upon cessation of employment with the Board, for at least 30 Days an Employee, or such Employee's estate, shall be entitled to a lump sum payment for accrued sick leave earned on or after January 1, 1984.

2. **Computation Formula**

The lump sum payment for accrued sick leave shall be computed as the product of the Employee's daily rate of compensation and one-half of
the lesser of the following: (1) the number of Days, or fractions thereof, of accrued sick leave earned by the Employee in accordance with Section 31.2.i above minus any Days, or fractions thereof, of accrued sick leave used by the Employee; or (2) the number of Days, or fractions thereof, of accrued sick leave earned by the Employee in accordance with Section 31.2.i above after December 31, 1983. Accrued sick leave days shall be used in the order in which they have been accrued.

An Employee who has received a lump sum payment for accrued sick leave in accordance with this section and who, within two years of the cessation of her/his employment is reemployed by the University, may have her/his accrued sick leave restored if, within 30 Days after the commencement of such reemployment, the Employee repays said lump sum payment to the University. For each day of sick leave to be restored, the Employee shall repay the gross amount she/he was paid for one day of accrued sick leave. An Employee may have part of all of her/his accrued sick leave restored in this manner; however, if the Employee does not make any such repayment to the Board, she/he shall not be entitled to have any such sick leave so restored.

The Employee must submit an irrevocable “election to retire” prior to receiving this benefit. In the event that Act 92-0599 is repealed or amended, unused sick leave that can be used for sick leave buy-out will not be paid as employment prior to retirement to the extent prohibited by such amendment, unless a new agreement allowing such payment is negotiated by the University and UPI.
