RESIDENCY REQUIREMENTS POLICY

All degree-seeking students are required to earn a minimum of 24 credit hours of coursework from Governors State University prior to the award of each degree sought.

In completing the requirements for a degree, students must earn at least 50% of the credit hours required for their degree (as specified on their individual study plans) through on-campus work.

For the purpose of this policy, on-campus work is defined as all coursework taken at the Governors State University main campus, as GSU distance education, and at sites within IBHE Region 6 or other degree-granting sites approved by Governors State University's governing board.
