

GOVERNORS STATE UNIVERSITY

Materials on GSU Monitors and Cable Access Channel
Interim Policy

I. Purpose

This policy addresses the institutional requirements for the development and posting of informational items on the GSU Television Monitors and Cable Access Channel.

II. References

Policy 49 – Media Policy

III. Information Posting

- A. Faculty, staff, and student organizations who wish to have information and announcements posted on the GSU monitors and the cable access channel must submit the information to the Office of Public Affairs (PA). This submission process does not apply to GSU coursework.
- B. Public Affairs will review the information for accuracy and compliance with University standards (reference Policy 49 for additional information).
- C. Once approved, PA will coordinate the posting of the information.
- D. The content for the postings must comply with applicable federal, state, and local laws.
- E. The content for the postings must comply with University policies.

Effective 4/26/06
