Table 1. Number and proportion of students completing program within 7 semesters (150% of program length), grouped by academic year of first nursing course. Note: The program requires a minimum of 5 semesters enrolled in 6 credit hours per semester. Expected Level of Achievement (ELA) is 70%.

Key: Completion Rate formula is #Students Completed/#Students Started = % Completion; CNS = Clinical Nurse Specialist; FNP = Family Nurse Practitioner; NEIL = Nurse Executive Innovative Leadership; FNP/PMC = FNP Post-Master’s Certificate.

*This program was renamed in 2019.

**2018-2019 Cohort has not reached 150% time to completion in this data.
