

Transfer Guide for Associate in Applied Science in Physical Therapist Assistant to Bachelors of Arts in Interdisciplinary Studies Preparing for Doctorate in Physical Therapy

The following is presented as an articulation agreement between Kankakee Community College (KCC) and Governors State University (GSU) for the Interdisciplinary Studies program based on the current catalogs of both schools. The student would receive an Associate of Science (AAS) degree from KCC and a Bachelors of Arts (BA) degree in Interdisciplinary Studies from GSU.

This will prepare students for the Physical Therapy program but does not guarantee admission to the Doctorate in Physical Therapy program.
