HERE, YOU ARE WELCOME.

At Governors State University, we take pride in our diversity. We look like the world. We look like you. Our campus, which is the safest in the state, provides each student with opportunities to thrive in a welcoming environment where independence is celebrated and supported.

Whether you're coming to GSU from another of the world's biggest and busiest cities or from the quiet charm of a rural area, you'll find many things to make you feel right at home here. GSU's Office of International Services is dedicated to helping you become a student in the U.S.—and having a great experience once you're here. Throughout the year, OIS hosts events, trips, and campus activities that will help you meet other GSU students and make the most of life on campus.

UNDERGRADUATE PROGRAMS

Undergraduate students are taught by full-time professors in classes of no more than 30 students. No teaching assistants. No packed auditoriums. This learning environment is unlike most U.S. public universities.

GRADUATE PROGRAMS

Graduate students will find degree programs that are among the most sought-after in the U.S.

Conduct and publish research alongside professors who are leaders in their fields, and emerge from GSU as a professional prepared to meet the demands of an ever-changing global society.

ENGLISH AS A SECOND LANGUAGE IMPROVE YOUR ENGLISH SKILLS

Reading, speaking, and writing English are key to your academic success. GSU's English Language Learning Center can help. Our intensive 15-week study program is taught by faculty who can help you with language, and much more, so that you have a solid understanding of the social and cultural environment in the U.S.

LIFE IN UNIVERSITY PARK

A Living/Learning Community

Live in Prairie Place, our on-campus student residence for undergraduate and graduate students. Choose from suites with a connecting bathroom or apartments (two and four bedrooms with full kitchen and bathroom). Community kitchens are located on each floor, and there's even an in-house classroom for meetings and events.

Trained resident assistants and full-time faculty members live in Prairie Place, providing you with support and assistance and enhancing your intellectual life.

Arts and culture are central to life at GSU.

Governors State University thrives on cultural and academic centers that enrich the university and its larger community. The GSU campus is set within the world-renowned Nathan Manilow Sculpture Park—a collection of 29 masterworks of large-scale sculpture situated within 100 acres of prairie landscape. Attend inspiring visual and performing arts exhibits, partake in civic opportunities, or learn about innovative research initiatives, all right on the GSU campus.

TUITION AND FEES

As an international student, you must show proof of financial support to cover the estimated expenses for your first academic year. Use the estimated expenses listed on the following page to know how much financial support you need to show in order to obtain your certificate of eligibility (I-20 [F-1 Students] or DS-2019 [J-1 Students]) that is required for your visa.

HOW TO APPLY

The Office of International Services is ready to help you join this vibrant community by assisting with a variety of issues, including visa and immigration issues, help in adjusting to the United States, guidance on how to prepare for your trip to the U.S., and assistance connecting with GSU students, faculty, and staff. OIS also offers programs and events throughout the year to ensure your academic success at GSU and your adjustment to the Chicago area.

Steps to Apply:

1. Get to know the Governors State campus. Take the virtual tour at:

www.govst.edu/visit-us

2. Contact GSU or one of our partners abroad. Find one in your country at:

www.govst.edu/recruiting-partners

3. Submit your application at:

applynow.govst.edu

4. Secure your on-campus residence by completing your application and paying fees.

Information about the application process can be found online at:

GSU AND CHICAGOLAND: YOU ARE WELCOME HERE

GSU, the safest campus in the state and eighth safest in the nation, is surrounded by trails for biking and hiking, nature preserves for getting to know the prairieland of our Midwest region, and communities full of culture, entertainment, sports, and shopping experiences. In summer months, we also have a vegetable garden, available for use by students and the entire community.

Also near campus—and a very short GSU bus ride away—is the commuter train that will take you to downtown Chicago in less than one hour. No matter what you study at GSU, Chicago is an international hub with internships and careers waiting.

This is where you'll find world-class healthcare—with hospitals, research organizations, pharmaceutical, and medical companies; the world's leading technology and consulting companies; award-winning theatre companies, symphonies, and opera companies; and communications companies. Chicago has it all.

This is also a city built around neighborhoods. No matter where you and your family come from, there's a Chicago community full of people who speak your language, serve your food, and understand your culture. And we'll help you find them. Chicago is also a place to have fun. Festivals occur throughout the year—particularly in summer and fall. Lake Michigan, an inland sea, is one of the largest fresh water lakes on the planet. The Chicago lakefront is full of parks, paths, museums, sports venues, restaurants, and spots to just sit and enjoy. And of course, our sports teams are legendary: we'll introduce you to American football, and our other professional teams are thrilling to watch.

CHICAGOLAND HAS IT ALL. WE CAN'T WAIT TO SHOW YOU.
