Membership Sharing:

Kristin Davis: Provided insight on Prevention hiring new staff.

Celebrate Recovery: Shared participation is active; please share meeting information on social media. There is mention that we need to update the self-help meeting list.

Karen: Shared that the ROSC hired a new ROSC Coordinator and Recovery Navigator for Cumberland and Clark County. Karen will schedule a meet and greet with council members and new staff. The staff will start at the Hour House on July 11th

Cindy: Reminded the group of the Narcan training in July; Cindy also mentioned the IDPH Overdose Data for IL

Continuation of meeting with strategic goals discussion:

Membership involvement: Karen asked who are we missing at the table and how can we further engage the community? Members shared several potential individuals who would be actively involved. Members delegated who would contact the individuals. Members shared that they will continue to engage local community members and stakeholders.

Telehealth Counseling: is in the Courthouse for Cumberland County

Community events/Anti-Stigma/Education

Karen reminded ROSC members that August 31st is National Overdose Awareness day; Karen explained that Coles County and Douglas County will be participating in the Vigil and asked members to still partake in the event.

Karen: Told members that the last article has been published. Members suggested the articles be posted on the social media platform.

Members: Discussed possible harm reduction models for the community. Such as fentanyl strips, never use alone cards, etc. Members also previewed the anti-stigma video ads. Karen provided members with the new ROSC brochure and encouraged members to pass them out.

The next Cumberland County meeting- July 18th 4:30 PM, meeting will be hybrid.
