

# Client Choice Food Pantry

A PROGRAM OF  **arrowleaf**<sup>®</sup>  
Growth. Community. Transformation.

---

## • What is client choice?

A food pantry designed to be “client choice” means that clients are allowed to choose the items they need instead of receiving a pre-packed bag of items chosen by pantry volunteers.

## • Who is eligible?

The food pantry is accessible to anyone residing in the southern seven counties of Illinois, however, priority is given to individuals living in Alexander, Pulaski, and Johnson Counties. There are no income or family size requirements to participate in the program.

## • How often can the food pantry be accessed?

An individual or family may shop at the pantry once per month, however, emergency assistance may be requested in between monthly visits if products are available. Each client accessing the pantry will be invited to have an individual uninterrupted shopping period, therefore, wait times may be experienced as appointments are not necessary.
