Since 2011, the "New Coats, New Hope" has been a fundraising effort presented by WIBH Radio in Anna, Illinois which focuses on providing new winter coats and shoes to children within the southern seven counties of Illinois. Funds raised through this campaign go towards purchasing coats and shoes from Operation Warm, a national nonprofit that manufactures brand-new, high-quality coats and shoes for children in need. Coats and shoes are then sent to local human service providers, like Arrowleaf, to be distributed.
