

WEST CENTRAL IL ROSC

RECOVERY ORIENTED SYSTEM OF CARE

ABOUT US

WHO WE ARE

ROSC is a state wide movement. West Central IL ROSC is one of 28 ROSC Councils across the state of IL. The West Central IL ROSC covers Knox, Warren, Henry and Henderson counties.

ROSC is a coordinated network of agencies, resources, and community members that come together to better serve individuals suffering from substance use disorder. We also focus on ending stigma surrounding addiction and empowering the recovery community!

OUR MISSION

"Collaborating to build and empower communities of recovery."

OUR VISION

- People can and do recover.
- Individuals and families determine the supports and services they need.
- Services and supports are continuous and cohesive across different phases of care, and are coordinated across the various agencies involved in their delivery.
- Support of recovery is a community responsibility and value.
- There is inherent flexibility in the system, so it can be responsive to different pathways to recovery
- Measuring quality and outcomes is a system priority.

OUR VALUES

- Recognize the right of a person to direct their own recovery.
- Recognizing that there are many models of, and paths to, recovery.
- Operate with integrity and sense of personal responsibility.
- Include the "voice" of peers, family members and the community in planning and decision making.
- Implement programs with competency and good stewardship.
- Empower individuals and families.
- Embrace cultural diversity.
