JUNE 2023

DOPP Updates

In May, 42 boxes of Narcan were obtained through the ROSC Narcan display sites.

We are still looking for Narcan display locations in the community. All recommendations are welcome!

Recovery Navigator Update

The Recovery Wellness Groups in Paris have been a hit! Having them outside at Blackhawk Park has allowed many families to attend.

Nicki has been shadowing the Douglas Co Recovery Navigator in the Douglas Co jail to gain experience. We are developing a proposal to provide the jail staff and Sheriff with possible entry into the jails to provide education.

There is a new recovery meeting on Thursday evenings at 6 PM at the First Baptist Church referred to as RU Recovery.
