**Round Table Discussion:**

We discussed and viewed all of the upcoming events and the flyers for events and available resources.

Community Members discussed that the population declined when the housing shut down in Cairo. The community, in turn, declined as well.

There were suggestions for a needs assessment form to be made out and given to the public during the school registration and setting up a resource table.

Jeannine Woods said they would truly benefit from having a supply of Narcan available.

John Cantrell closed the meeting by thanking everyone for their time and support! **\*Alexander/Pulaski ROSC Council Meeting will be held on the 3rd Thursday of each month from 1:00 PM – 2:00 PM. We will continue to be in person and on Zoom!**
