

To whom it may concern,

My name is Daniel Stewart, I am the Recovery Oriented Systems of Care (ROSC) Coordinator representing Ogle and DeKalb Counties.

Recovery Systems of Care or ROSC is a State funded program throughout the state of Illinois addressing issues and concerns of people in communities across the state who are struggling with substance use and addictions.

A ROSC is a coordinated network of community-based services and supports that is person-centered and builds on the strengths and resiliencies of individuals, families, and communities to achieve abstinence or reduce harm and improve health, wellness, and quality of life for those with or at risk of alcohol, drug and process addictions.

We at Ogle/DeKalb Co. ROSC would like to invite you to join our council. There is no cost and we meet only once a month, our first meeting will be Wednesday September 13th at 3pm Join Zoom Meeting:

Meeting ID: 906 140 4879

Addiction, drug overdose, homelessness, unemployment, mental health is all connected and affects everyone in our community. Someone you know (family, friend, neighbor, co-worker) is struggling with substance use dependency and all the other societal ill that come with it.

We are asking all community members to join us in the fight to heal our communities through referral to services, prevention programs and education (and whatever else your ROSC provides like job training referrals, GED programs, housing help, etc.). We can't do it alone. We need people in our communities from all walks of life (businesses, churches, social workers, neighbors family, friends and allies) to join us and help us work together to solve this problem and integrate people suffering from substance use back into our communities where they can become productive and valued workers, neighbors and citizens.

We would love to hear from you, hear your ideas and have you join Ogle/DeKalb Co. ROSC. We are not asking for money or donations and we meet only once a month to talk, share ideas and provide education on issues that are affecting everyone in our community.

Please feel free to call, text or email us and please check out our website at www.SVVOR.org for more information. Please join us and your neighbors in the fight to take our communities back!
