

SOUTHLAND RECOVERY COALITION

The mission of SRC is to eradicate the stigmas associated with addiction recovery by promoting systemic improvements to the overall health and recovery of individuals and families impacted by substance use, addiction, and mental illness.

We are focused on **raising community awareness** on the viability and the sustainability of long term recovery from substance use disorders.

Providing **access to resources**, referrals, support and educational and preventative platforms.

Further the understanding and knowledge-base that **addiction is a public health issue** and the stigma of addiction and mental health must be broken.
