SEPTEMBER 2023

DOPP Updates

In August, 55 boxes of Narcan were obtained through the ROSC Narcan display sites.

We had 9 boxes of Narcan taken at the Recovery Picnic.

Recovery Navigator Update

We are on the hunt for a new snake head! If anyone is interested in painting a new snake head for our recovery snake, please let us know. As soon as we get a new snake head, the city gave us permission to put it out!

Nicki has also been seeing new individuals at her education groups, so the word is getting out!

We are also wanting to host a free movie night in December for individual's in recovery and their families. We are looking for location ideas and for people who want to collaborate on the event with us!
