

## Asset Mapping

October 2023

### **Inventory in Clinton County:**

- SUD/COD Resources: Community Resource Center-Carlyle, IL
- Peer RSS: none
- Recovery Housing: none

### **Community Readiness to support ROSC & RCO:**

There has been an expressed desire from different Key Stakeholders in Clinton County to work with the ROSC council and specifically the Take Action Coalition of Clinton County. The strategic plan, will provide further details on the work the community will do to reduce stigma and other gaps in services.

### **List of technical assistance priorities for expanding ROSC in the community:**

- Engage more people with lived experience (PLE's)
- Engage more law enforcement sector personnel
- Find a way to host sober events/bar/café within county
- Get resources into county jail for inmates with substance/alcohol use
- Encourage schools to use evidence-based substance/alcohol use education in their health classes or annually in some format but also gain parent participation and awareness
- Utilize social media platforms more to spread awareness and reduce stigma
