

DuPage ROSC Outreach Plan – FY24

Overview: The ROSC project is based on the fundamentals of public action to support the prevention of substance use disorders, mental health afflictions and recovery from both. The focus of the ROSC coalition is to bridge community services and support for those in recovery. To encourage success on one’s chosen recovery path, the ROSC is focusing activities and education within the following arenas:

- Stigma Reduction and Education
- Bills & Legislation
- Increased collaboration among local organizations
- Professional opportunities
- Adaptive Living Skills
- Job Development/Career Building
- Recovery Recreation
- Health & Wellness
- Alternative Therapies
- Support Groups
- Secular Support Groups
- Other: _____Harm Reduction_____

Stakeholders	Outreach Strategy	Targeted Outcomes	Expected outcomes	Member Responsibility
Drug Courts/probation	In-person presentations/meetings	Join DuPage ROSC Council	To offer assistance in any diversion programs and referral help for court clients	Attend monthly meetings, educations, events, etc. Refer new clients to ROSC for help as needed
