### Clarity Statement

We are presented with a dilemma; when NA members identify themselves as addicts and alcoholics or talk about living clean and sober, the clarity of the NA message is blurred. To speak in this manner suggests that there are two diseases, that one drug is somehow separate from the rest, requiring special recognition.

Narcotics Anonymous makes no distinction between drugs. Our identification as addicts is all-inclusive, which allows us to concentrate on our similarities, not our differences.

**CELEBRATE  
RECOVERY**

A Christian based 12-step program that helps heal the hurts, habits & hang-ups of:

- ❖ chemical dependency
- ❖ alcoholism
- ❖ family dysfunction
- ❖ co-dependency
- ❖ physical/emotional/sexual abuse
- ❖ relationship addiction
- ❖ sexual addiction
- ❖ eating disorders
- ❖ compulsive behaviors

Physical copies of the public transportation surveys available at your city hall/township building or local library. To complete the survey online, please use the QR code inside.

Douglas County has been awarded a \$75,000 grant through the Illinois Department of Transportation (IDOT) to write a plan that will address issues and make recommendation on how to increase the use of public transportation.

Coles County Regional Planning (CCRP), in coordination with IDOT, is conducting a survey as part of a year-long study into public transportation in Douglas County. Completing this survey, even if you do not use public transportation, will help CCRP learn more about the use of local public transportation and assist us in future service planning.
