- I. The meeting was called to order.
- II. The meeting minutes were approved for submission by a unanimous vote.
- III. The council staff updated the committee attendees on the work we have been doing this month/last. This includes our events in White Hall, Carrollton, Roodhouse, and Winchester. Attendance to the events remains strong as you can see by the number of attendees at the council meeting tonight.
- IV. AM discussed the importance of networking and how those social networks help contribute to community and individual growth. The group talked about how thankful they are that we have each other in the work we have done this year and the progress we have made in supporting the recovery community.
- V. The group voted unanimously without objection to suspend the regular order and join together for a Thanksgiving celebration.
