

EDGAR COUNTY ROSC

NEWSLETTER

OCTOBER 2023

DOPP Updates

In September, 21 boxes of Narcan were obtained through the ROSC Narcan display sites.

We provided a Narcan training with CARE and the ECPHD at a teacher institute day for Kansas and Shiloh school staff. We trained 8 individuals on administering Narcan and gave out 30 boxes of Narcan.

Recovery Navigator Update

The educational groups for October are on sobriety maintenance, being that the holidays can be triggering for those in recovery.

Nicki is wanting to get the PLE advisory subcommittee back up and going, as she has found more PLE's in the community.

Educational groups in the community still having a steady attendance from persons with lived experience in the community.

Events!

PAST:

Laundry Day

- Used \$582.50 in donations from New Beginnings Church in Paris and Dr. Marilyn Frey
- Did 111 wash cycles and 98 dry cycles
- Gave out 3 boxes of Narcan and 6 Deterra pouches

UPCOMING:

Sock and Underwear Drive

- We are collecting donations for children's sock and underwear for a few of the schools in Edgar County. We have a flyer with more info!

Podcast

- We are starting a ROSC podcast! Our first episode will be about an employer's experience hiring someone in recovery.
