

# LIVINGSTON ROSC

*The latest news & updates from the Livingston County ROSC and our partners.*

## LIVINGSTON ROSC BUILDS & DISTRIBUTES HYGIENE BAGS

With the assistance of Handles of Hope, IHR, Livingston County Health Department, Project OZ, Livingston County Mental Health Board, Salvation Army, and more, the ROSC has assembled and distributed over 100 bags for individuals in need. Each bag contains personal hygiene items, winter hats, gloves, snacks, NARCAN®, and resource information.

## ROSC SUBCOMMITTEE EXPANSION

Individuals and service agencies within the ROSC council have joined together to form an Educating for Change committee to address the need for stigma reduction around Substance Use Disorder and co-occurring mental health challenges. This committee will create community events and opportunities to bring ROSC awareness to the public by engaging more public sectors.

## RECOVERY IN ACTION SUBCOMMITTEE

The Recovery in Action (RIA) team will be gathering information and contacting new comers who are currently in recovery to promote family friendly sober living experiences within Livingston County. Look for Recovery In Action resource tables at upcoming ROSC attended events. If interested in joining either subcommittee, please contact our team!

## ROSC Council Representation

- 7 New ROSC Council Members
- Representation of 3 new community sectors
- 1 new person with lived experience (PLE) added to the ROSC subcommittee

## Education & Training

- ROSC staff now trained in Question, Persuade, Refer (QPR), suicide prevention training, & this training is available for the community
- Continuing to seek solutions for substance use education, housing, and transportation

## Outreach & Engagement

- 100 resource bags distributed in the community
- 500+ virtual resource cards distributed
- Number of QR code scans for virtual resource cards increased by 10% from 2023 to 2024
- Social media posts reaching near 400 unique individuals each month

## ROSC in the Community

- ROSC will be in attendance at several community events in the coming months - one event highlighted on the next page!
- Continuing to engage new community sectors & PLE's through outreach and events

What  
Livingston  
ROSC has  
accomplished  
thus far in  
2024

Thank  
you

**Thank you to ALL who make Livingston County  
more recovery-oriented!**
