

Join Us!

May 1st | 7:00 p.m.

Tower Square Plaza
Marion, Illinois

**Join Centerstone and the City of Marion to celebrate
Mental Health Awareness Month!**

Mental Health Awareness Month is recognized in the United States each May and has been observed every year since 1949.

The purpose of Mental Health Awareness Month is to help eliminate the stigma associated with mental illness by raising awareness of mental health conditions and those who have them. It's an opportunity for all of us to come together and remember the inherent value we each hold — no matter our diagnosis, appearance, socioeconomic status, background or ability. At Centerstone, we recognize the importance of positive mental well-being throughout the year, but use the month of May to go the extra mile to show our support for the cause.

Centerstone has partnered with the City of Marion to light Tower Square Plaza in the color green, bringing greater visibility to this important cause. Additionally, a proclamation declaring May as Mental Health Awareness Month will be read by City of Marion Mayor Mike Absher.
