Training Services Inc.

THREE CORDS STRONG
ROSC ALLIANCE

AREAS IDENTIFIED FOR IMPROVEMENT

- **Lack of** Recovery Homes, Half-Way Houses, and Transition Living Facilities: There is a significant absence of supportive housing options for individuals in recovery, hindering their transition to independent living.
- I**nsufficient** Domestic Violence and Abused Women and Children Shelters: The absence of shelters leaves vulnerable populations without safe havens and support services.
- **Limited** Homeless Shelters and Food Banks: The scarcity of these resources exacerbates homelessness and food insecurity within the community.
- **Shortage** of Mental Health Refuges: With few mental health facilities available, individuals facing mental health challenges lack access to necessary care and support.

COMMUNITY FELT NEEDS

01

Rehabilitation Centers

Rehabilitation Centers: There is a strong demand for more rehabilitation centers to address substance abuse issues effectively.

02

Support Groups

Support Groups like AA/NA: Community members seek accessible support groups to aid in their recovery journeys.

03

Job Training

Services Similar to Transition Training Services: The community values organizations like Transition Training Services for their assistance in job training and recovery support.

04

Avoidance/ Antisocial

Addressing Avoidance/Antisocial Behavior: Encouraging openness to seeking help and breaking down barriers to communication is essential for effective support.

05

Employment

Employment Opportunities and Support Groups: There is a need for more job opportunities and supportive networks to help individuals reintegrate into society.

06

Awareness

Increased Awareness of Substance Abuse: Community members emphasize the importance of raising awareness about substance abuse and its consequences.

COMMUNITY FELT NEEDS

07

Housing

Housing and Employment Opportunities: Affordable housing and job availability are critical for stability and recovery.

08

Social Services

Social Services Expansion: The community calls for an expansion of social services to address various needs effectively.

09

Police Presence

Enhanced Police Presence: Residents desire consistent police presence to ensure safety and security in the neighborhoods.

COMMUNITY STRENGTHS

---

01 **Resilient and Productive Residents**
Despite challenges, community members are resilient and strive to lead productive lives.

02 **Strong Sense of Community**
The community values unity and support among residents, fostering a sense of belonging and solidarity.

03 **Family Support**
