- I. How do we address stigma in our community?
 - a. Education is important!
 - b. We need to educate people on different pathways.
 - i. Being repetitive is helpful for adult learners.
 - ii. We can do this through different avenues
 1. Hosting events, trainings, social media, going into schools, sober events.
 - a. Family game nights once a month.
 - i. Can have this at different locations
 - b. Murder mystery event
 - iii. PLE advisory council
 - iv. ROSC themed BINGO
 - v. Flyer for events but have our resources on the back.
 1. Put these in local food pantries.
 2. Partner with local pizza places and have them go out with deliveries.
 - vi. Make buttons!
 - vii. Partner with libraries to have ask me about ROSC buttons.
 1. Have children design and make their own buttons so we can target parents while their children create.
- II. Where is the stigma in our community?
 - a. Healthcare
 - b. Fast-food
 - c. Courthouse/Judicial system/law enforcement
 - i. They may be discouraged after working in the system for a long time.
 - d. Schools
 - i. The DARE program did not help.
 - ii. How schools address vaping is not recovery-friendly, but punitive.
 - iii. We could train the teachers during in-service days.
- III. Announcements
 - a. Please take our Marketing Survey!
