- I. How do we do outreach without a peer in this space right now.
 - a. We need to partner together to do outreach together while waiting for a peer.
 - b. We need to all add to the outreach plan that is on smartsheet and have Kelly check for other businesses after we add everything that we know.
 - i. We could add
 1. Businesses by the square
 2. Places in Goreville.
 3. Fellowship Baptist Church
 - a. We have worked with them before!
 - c. We could have out flyers put in the bags of the pantry and the closet.
 - d. Make sure that our flyers are at the front of all of our offices.
 - e. We could reach out to downstate TASC office.
 - f. We could reach out to teachers.
 - i. We could rebuild some school relationships.
 - ii. Could host DEC event/in-service days.
 - iii. Could do Narcan training
 - g. Healthcare
 - i. We could work with healthcare facilities in the region including:
