Katie Unthank, Region 5 Mentor

Polly Quintana, Second Chance Recovery

Kelly Johnson, Arrowleaf

Ashely Smith, The Old Depot

I. Updates

α. Discussed potential event for September Recovery Month. Asked what kind of events would pull people in and would be enjoyable for both adults and children.

i. Bowling was suggested, however Ashley Smith was concerned since there is a bar area within the bowling alley it could be triggering for some community members. A sports day/fun day was discussed having at Anna Park with activities such as badminton, volleyball, softball, basketball, cornhole, etc , as well as a recovery walk around the track. Also discussed getting

Recovery Oriented System of Care

donations from UCO businesses for food to grill (hamburgers, hotdogs).

- b. Ashley Smith and Kent Young suggest having a date set for that by the next meeting (May) and possibly a back-up day scheduled in case of rain.
 - i. Ashley Smith stated The Old Depot would likely be able to help out with money/donations to some extent. Will need to follow up on submitting a donation form to them.

II.
