1. Introductions
  - Name, organization, and icebreaker: "where is your favorite vacation location?"
2. Business. A missing sector in our ROSC Council in business leaders
  - Businesses seem to be missing from our Council.
3. Breakout Rooms-Business Sector Recruitment (15 minutes discussions, then report back to the large group.)
  - Who are the business leaders in Livingston County? Who is missing from our Council?
  - How do we get these stakeholders to the ROSC Table?
4. Report Back in large group.
  - Group 1 Rhonda-Who is missing? Chamber of Commerce in each town. Also, Caterpillar, County Market, Daves and other large employers. Getting them to the table: meet with the appropriate person in each business and discuss ROSC specifically in a one-on-one meeting. She pointed out that most people do not understand what ROSC is and its purpose.
  - Group 2 Taylor-Chamber of Commerce, OSF, Caterpillar, Kwanis Club. Agricultural such as Becks Seed, Precision Planting, John Deere, Dairy Queens, Monicals, Edinger's and other restaurants.
  - Group 3 Erin-Chambers as point of contact. That could lead us to businesses. Pointing out what is in it for them as helping their employees. Showing the personal by-in to

support the community. Faith Based community as well is by and large missing. Reaching out to Village Boards and other local governments.

- Overview. All three groups are on the same page. Pointed out that the ROSC is bringing something into the community and not take out of the community. Since the ROSC is now an established entity within the County along with our partnering agencies, it will be easier to show what we are bringing to the table. The group was asked to provide contact names and businesses to create better information to distribute either by social media or directly to the business.

5. Agency Updates:

- Chrystal from LCHD: There will be space available at the Fairbury Fair this year for ROSC participation. LCHD is working on an event for Back to School and would like to have ROSC participation during this.

- Livingston County ROSC events coming up in Dwight are National Night out August 6 and Harvest Days on September 21. The big news is that Recovery Month event at the Rec Center. Space for 20 resource tables, and entire basketball court, putt putt golf, bags. We need volunteers to help guide event goes to the proper locations. Also looking for volunteers to help with a possible basketball tournament. On June 28 at the Senior Center, we will be having our first Recovery in Action meet and greet from 6-8 pm.
