Jennifer Worthen, S7HD

Trina Martin, Arrowleaf

Samantha Carver, Arrowleaf

Notes

- I. Welcome and introductions
- II. What is ROSC?
- III. Recap
 - α. Last month we discussed how we can do outreach in this area without an assigned peer. Everyone on the tea will have to work together to cover this area for now!
- IV. Statewide Meeting
 - α. This month we went to the statewide where we learned about how ROSC is going to work for the next year.

Recovery Oriented System of Care

- b. We learned that we need more community members filling the gaps instead of us.
- c. We should host public trainings that are open to the community.
 - i. These may include topics like harm reduction, recovery 101, and health and wellness.
- d. We are trying to be more sustainable in our efforts! We want the community to be invested!
- e. We learned more about harm reduction and how we can incorporate harm reduction principles into our work!
